

School Sports Grant Expenditure and Impact Plan 2017-8

The government allocates additional funding each year to improve sports provision in schools:

Schools decide how the grant is allocated as they are best placed to determine what additional provision should be made.

Our sports grant for 2017 - 18 is £25,550

Target	How will this be done?	Cost	What is the expected outcome?	What is the impact? (End of the year)
To provide a wide range of sports and activities accessible to all children.	Working alongside external providers as well as school staff, to provide a wide range of sports and pupil well-being sessions and extra-curricular activities at a reduced cost or free of charge.	£13,860 for the year.	Children will be able to access a wide range of sporting activities lead by professional coaches in curriculum time ie activity week and after school. Year 5 will participate in health and well-being sessions x 12 weeks in the Spring term there by promoting the mental health, understanding of the need for physical fitness and personal well-being.	
Provide good quality static sports equipment for the outdoors area.	Additional fitness equipment for the field accessible for all children.	£11,440	Children are able to use good quality sports equipment and be able to access a range of activities
