

## School Council News...

We were very pleased to invite Mrs Challenger from the Friends to school last week, as she brought with her 4 very large boxes full of games! These are our trial wet playtime game boxes.

Members of the School Council, unpacking the games, ready for use.

Hopefully, every class will have the opportunity to play with the games over the next few weeks (bad weather willing!) after which, the school council will meet with Mrs Challenger to discuss how pupils felt about the different games available and to decide what should be put into all the boxes – that's 16 in total!

To fill these boxes with suitable and enjoyable games and activities has cost about £125 per box, so we are sure you can imagine that we are very grateful to the Friends for raising money to provide the school with fun things that enhance even our wettest of days! **THANK YOU!**
