

We believe all children have the right to thrive, in all aspects of their life, within a safe and caring Christian Environment. We aim to provide the children in the school with the necessary skills, tools and experiences to ensure they achieve outstanding performance.

By the time children go to high school we want them to:

- Be confident, happy and able to cope with the ups and downs of life and be able to relate positively to others.
- Be learning, achieving and contributing to their world, recognising their own achievements and aspiring to success.
- Have the best possible health and development and be able to start making choices about a healthy lifestyle.
- Be and feel safe and be increasingly able to make decisions about risk.
