

# Year 4

## What have we been up to?

Monday the 5<sup>th</sup> November was Year 4's launch Day for this term's topic which is Treasure Island. The children read some of the script, which they will be performing at Christmas. Also, they created lovely parrots and some displays to decorate the year 4 area. Well done Year 4!

### Treasure Island!

The children's art work from the launch day of Treasure Island.

We would like the children to bring in empty shoe boxes for our topic Treasure Island. These will be the base for the children to build a stage.

The week commencing the 29<sup>th</sup> October was R.E. week.

Year 4 children spent the whole week learning about Hinduism. They really enjoyed learning about 'What does it mean to be a Hindu.'

Learning about the concepts of Dharma, Karma and Atman intrigued the children and they were able to make links between Christianity and Hinduism.

### R.E Week
