Fancy a trip to the moon and back? How about solving a mystery? Or visiting a far-away land? Well *anything's* possible with a good book, and with a bedtime story, you get to do it all from the comfort of your own room!

That's right - reading can take you anywhere and everywhere, and not only that, research now tells us that there are some massive brain boosting benefits to bedtime stories as well!

So to celebrate possibly the most magical time of the day, we're putting on our very own Bedtime Stories evening on **Thursday 31st January** from **5-6pm!**

Come back to school in your comfy clothes, pyjamas or onesie and bring your favourite blanket, pillow or teddy. Then grab a hot chocolate, relax and get comfy in the hall, while our grown-ups read you some of their favourite bedtime stories – who knows where they'll take you?!

If you'd like to attend, all you need to do is return the below slip to your teacher by **Wednesday 23rd January**.

Grown-ups! If your child would like to attend this free event, please complete and return the slip below by 23rd January. It's really important that we know who is coming in advance as we'll be unable to welcome children on the night who haven't registered. In the meantime, if you have any questions or require any further information, please contact the School office.

I confirm that my child _____ in _____ Class
is able to attend the Bedtime Stories event on Thursday 31st January between 5-6pm.
