# Year 6 News

Dereham Church of England Junior Academy

Issue 6

## Barrow Quest

### Topic

In Topic we have been researching different areas of British history.

We are now creating interactive exhibits on our Chrome-books and learning about copyright, font choice, colour themes and QR codes.

When you visit us on Parents Evening, you will be able to scan a QR code and read our work in our own exhibition.

After all our work regarding London and the real world, Year 6 are slipping into a world of magic and imagination with our Barrow Quest unit.

We will be creating stories where you, as the reader, are able to decide on the adventure the character has. We will be looking at how to build atmosphere in a setting as well as creating good characters and dialogue.

The finished results will be coming up in a future newsletter soon

#### An outline of what's still to come this half term:

- ◆ Algebra and Units of Measure in Maths
- ◆ Researching and creating a presentation on a chosen area of history; learning how to use QR codes
- ◆ Studying architecture of the past and how it has influenced architecture today.
- ◆ RE week

#### Upcoming Dates:

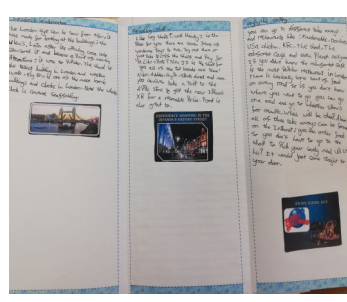

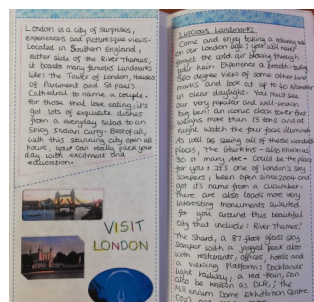

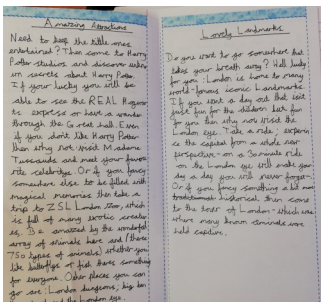

Parent Consultation Evenings. 4/3/19  
6/3/19  
Please note: Slightly different arrangements will be made for Shakespeare class. 12/3/19  
Details to follow.  
Further Dates TBC

## WOW Work!

After returning from their trip, the children wrote some persuasive leaflets encouraging people to visit London.

These pieces made it onto our WOW Wall...can you spot yours?

#### Reminders:

Please remember to:

- Read regularly at home.
- Complete and hand in your homework on time.
- Do some Mathematics.
- Practise Spellings.

Outdoor PE continues into the cold months so please make sure children have warm clothing for their sessions.
