RE Week—Philosophy

Topic

Our interactive exhibits are now complete! Scan the QR codes below to see some examples of our work...

We kicked off the week learning about some of the great Philosophers and thinking about the question 'What is the meaning of life?' which covered the difference between right, wrong, good and bad as well as thinking about the way we live. This has led to some interesting debates which have really got the children thinking.

What's to come next term:

Our topic is Chocolate! We will start our topic by watching the 2005 version of 'Charlie and the Chocolate Factory' (separate letter sent about this—if you have any issues with your child watching the film. Please let their teacher know.) Following on from this, we will be reporting on some of the wild and whacky events going on at Willy Wonka's Chocolate Factory as well as creating a fifth 'Golden Ticket' winner and telling the story of their visit to the famous Chocolate Factory.

Upcoming Dates:

Parent Consultations	4/3/19
	6/3/19
	12/3/19
Shakespeare class:	4/3/19
	6/3/19
	7/3/19

Reminders:

Please remember to:

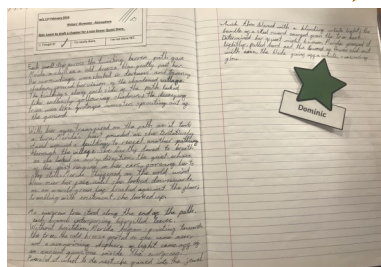

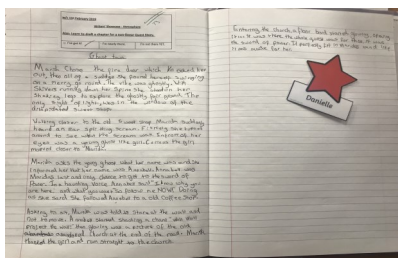

- Read regularly at home.
- Complete and hand in your homework on time.
- Do some Mathletics.
- Practise Spellings.

Outdoor PE continues into the cold months so please make sure children have warm clothing for their sessions.

WOW Work!

Now we have finished our Barrow Quest stories, take a look at some of these amazing chapters

Some made it onto our Facebook page too—log on to see if you can spot yours...
