

Year 4

What have we been up to?

RE

This week has been RE week and we have been working to answer the question *How do Muslims beliefs affect their lives?*

We kicked off the week with a trip to the East Anglian Bangladeshi Islamic Centre. We learnt a lot from Rajab and continued our learning back in the classroom where we compared a Christian and Muslim beliefs, learnt how Islam began and looked at the 5 pillars and how they shape a Muslim's life. We also brought our RE into our maths work where we created geometrical patterns.

Trip to the Mosque

We had to take off our shoes as we entered the mosque to make sure the area is kept clean. We learnt that a Muslim prays five times a day. Although a Muslim can visit the mosque to pray, they can in fact pray anywhere using a prayer mat as long as they face in the direct of Mecca – The Great Mosque in Saudi Arabia.

Play at home using your Mathletics log-in details.

After the Easter holidays, year 4 will begin their recorder lessons on Wednesdays.

We will continue PE lessons on a Tuesday so please remember your PE kits!

As (hopefully) the weather warms up, don't forget to bring in a water bottle.

Rajab made us feel very welcome in the mosque, in fact he said we could visit anytime.

What's coming up:

Don't forget we will be going to Bewilderwood on Wednesday 24th April
