Year 6 News

Dereham Church of England Junior Academy

Issue 13

It's the final countdown.

The Y6 Residential

We are in to the Year 6's final half term of Junior School before they head off to High School. Hasn't it gone quick!

We all had a wonderful time on our first visit to the Norfolk Lakes. The water sports in particular were amazing! Lots of fun was had building and falling off rafts, canoeing, kayaking and even Stand-Up-Paddle boarding.

We still have lots of fun things to before then, here is a run down of a few things on the horizon.

- ◆ Chocolate Topic Catch Up (lots of Science!)
- ◆ Zoologists Topic Catch Up (again lots of Science!)
- ◆ Our Changes topic which will include Maths Challenges, RSE and even more Science)

Back on dry land, caving, rock climbing, fencing and archery challenges to name a few were completed.

Many people conquered some fears by completing things they never thought they could at the start of the week which was great to see.

The food was pretty great too!

Come and join us for our annual Sports Day!
Friday 28th June

Upcoming Dates:

<i>Why Me Presentations</i>	<i>Mon 10th June</i>
<i>High Schools in to see the children</i>	<i>Mon 17th June</i>
