Thursday 13th February 2020

Dear Parents/carers,

On **Tuesday 10th March 2020**, we will be holding a whole school art day. During the day, all children will have the opportunity to design and produce a fabric 'tile' which will then become part of a whole school banner. The theme of the work is '**Emotions through art**'.

We will be dyeing materials in different ways and then stitching our designs. Many children may not have much experience of sewing and so this activity may require a great deal of support. That's where you come in! We will be inviting parents to join us for the afternoon on this day, between 1:45 and 3:00pm. It doesn't matter if you are not a sewer, it's simply an opportunity to join your child/ren to complete a fun activity.

If you have children in different classes, we will have a space available where you could help all of your children at the same time.

Invitations will follow nearer the time. We look forward to seeing you!
