

IMPORTANT MESSAGE ABOUT HIGH SCHOOL

We have been contacted by Northgate High School (although it is useful for both/all high schools) with a couple of key points:

- Please look at general transitional bits - BBC Bitesize (separate notice dedicated to this)
- Look at the school websites to learn about the school
- Plan for your uniform / start to order it online. Birds will exchange in September (as long as the tag is still on) if their size has altered.
- We will look at sorting a way you can ask questions and share any worries which we can then pass on to the key high school staff.

I hope this helps.

Mr Wade
