Summer School Further Info

Dear parents and carers

Now that we have had the go-ahead to run the Summer School I wanted to further clarify how the days will work.

Arrival

Children should aim to arrive for 8:40 as this is when the bell rings and the main gates will be open. Note, the back gate will not be open for these two days.

On arriving both days, children and adults (if they wish) can come on to the playground and wait for the second bell which rings at 8:50. Children will then be lined up outside with their teachers and the teachers will take the children in.

Uniform

Wherever possible, children should arrive in their new Dereham Junior Academy school uniform. Although we will hopefully be enjoying outside, there is no need for children to bring in their P.E. kit.

What to bring

- A home packed lunch as the kitchen will not be open for school meals
- A water bottle
- Weather specific items (sun hat, sun cream, coat, rain mac etc)

Children will not need to bring a pencil case on these first days as all equipment is provided. Children may bring a pencil case if they wish when they start school properly but there will be more details on this in a subsequent letter.

Medication

If children require medication such as inhalers etc. please let the teacher know on the day and then pop into the office to fill out a medical form- all medicine needs a medical form.

Home time

Home time for these first two days will be 2:45. Your child will need to be collected from the main gate again as the back gate will not be open.

Many thanks

Mr King
