

Dereham Church Of England Junior Academy Year 3 Newsletter

Merry Christmas

The Year 3 team would like to wish a Merry Christmas and a Happy New Year to all the children, parents and carers. Considering how hard this last 9 months have been, I think all the children should be proud of the learning they have caught up on and the way they have transitioned to life at junior school. We hope the children have enjoyed their time with us so far and that parents feel happy and safe to send their children into our school. We really hope that the next few months will begin to bring some normality to our lives and that we can begin to think about going on trips and not having to sit in rows any more. Take care and have a wonderful Christmas

Key Info

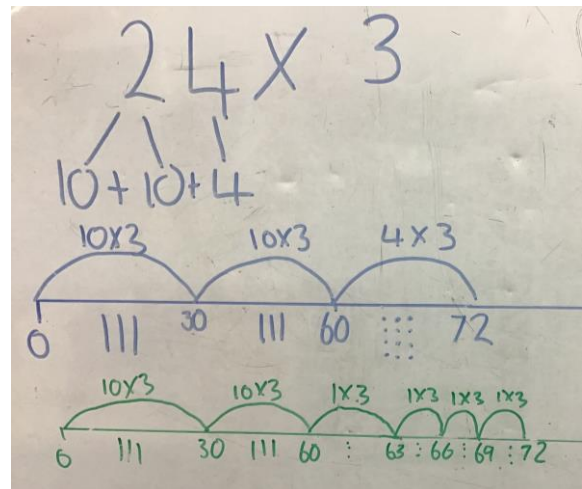

School returns after Christmas on Monday January 4th.

P.E days will remain the same

As the children will remain on the field at break times and lunchtimes please feel free to send them in with a change of shoes or wellie boots.

Maths

During the last few weeks, we have been looking at multiplication in maths. We are learning how to partition numbers (split them) so that we can make our calculations more efficient when we come to multiply them. See below for an example!

R.E. Week

In our last week we have been studying Christmas as part of our R.E. topic. We have looked in depth at the nativity as well as what Christmas means to Christians. We have studied the bible scriptures and made notes about what the bible has to say about Christmas. We have also looked at how Christmas is celebrated differently in different countries around the world and how Christmas has influenced our music and art.
