

YEAR FOUR

We have had the most wonderful two weeks since all the children have returned to school. Not only were we incredibly proud of how they coped with remote learning, we are also very proud of how they have returned to school.

They are settled, happy to see each other and working hard!
It's so brilliant to have them back!

Homework

Every week, children need to:

- Read **3** times—written in reading record and signed
- Practice their spellings—**2** times recorded in their spelling books

As well as this, they should spend a minimum of **30 minutes** on **TT Rockstars** or **Spelling Shed**

Fantastic Writing!

During the last weeks of remote learning and the first week back, we were writing our own Egyptian stories where our characters had to face (and defeat!) the god of chaos, Apep! Here's an extract from Evie's wonderful story.

As quiet as a mouse, they sneaked past the armoured guards towards the small hole. Leila took a deep breath and lowered herself into the dark, gloomy tunnel trying not to think about the spiders scuttering all around her, on the sandy ground. As she squeezed through the tight hole, she heard hisses in the distance which sounded terribly like a snake and she hated snakes. Leila squinted her eyes to see a dull light near the entrance of the tomb. With a thud, they slithered out of the tunnel into the treasure filled burial chamber where all of the ancient artefacts were kept.

Silently, they tiptoed on the stone surface of the tomb towards Apep sitting grumpily on his throne. "I don't know about this" Leila wailed. As they became closer to the strong, wooden door. "You'll be fine" replied Basted calmly...

Just a reminder that children need to bring a bottle of water with the each day!
Learning is thirsty work!
