Year 6 News

Dereham Church of England Junior Academy

Issue 8

It's been great to have the children back again after such a lengthy stint of home learning. We're all getting more used to the old routines and settling into school life once again.

Amazing Art—Ammonites

English

As part of our topic on Fossil Hunters, we have been finding out more about the life of Charles Darwin and turning what we find out about him into a biography.

Art

In Art, we have been working on our observational skills and applying these to drawing ammonites. Take a look at some of our amazing work! We have some very proud teachers.

Maths

We have moved from learning about fractions to decimals and are about to embark on percentages.

Science

We have learned how fossils are made as well as how animals are adapted to their environment.

Reminders:

8.40 to 8.55 soft start and 3.18 finish will continue.

Please remember to:

- Read regularly at home— **HP Friday**.
- Wear **APPROPRIATE PE** kit to school on your PE days.

Outdoor PE continues so please make sure children have warm clothing for their sessions.

- Practise Spellings for a weekly test.
- Practise Times Tables where possible!

It is important that your child also has a suitable change of shoes for outdoor play.

10,000 Steps Challenge

We have decided to extend our 10,000 step challenge over Easter as things have been so busy, we want to give everyone a chance to join in. Please keep your step count up and your money coming in—we really want to raise as much money as possible for Cancer Research. We also want to see some staff members completing some forfeits when we reach different milestones! Keep following us on social media so you don't miss out!

Upcoming Events:

Parents evening

COMING UP NEXT

Week commencing 22nd March—various dates/times depending on class.

We can't wait to catch up with you all. Hopefully there won't be any technical glitches but please bear with us if there are!
