

Who's who?

Wilberforce Class - Mrs Bunkle (Year Leader) and Mrs Ramm (HLTA)

Naidu Class - Mrs Swetman, Mr Dack and Mr Turner (TA)

Pankhurst Class - Mrs Woodall, Mrs Hook and Ms Guymer (TA)

Please feel free to contact us if you have any questions or concerns.

What a coincidence!

At the end of last term, as part of our transition activities, we completed an artist study on Banksy. The children created their own pieces to personalise and brighten up the year 5 corridor.

How did they feel when actual Banksy works of art popped up in Norfolk? Did you visit any?

Intergalactic Investigators

The children have travelled to the Milky Way from a far away galaxy to study the Solar System. They will learn about the different planets; how we have day and night; and why the moon appears to change shape in the night sky.

They will also learn about forces, including gravity, water resistance and air resistance.

They will also appraise 'The Planets' by Gustav Holst before composing short pieces of their own.

The children will improve their sketching skills to create a drawing of the Moon.

At the end of the topic, they will draw their learning together into a multimedia presentation.

This Term's Topics

W.c. 11th October - 'Positive Potions' (Harry Potter themed)

W.c. 1st November - *What does it mean for a Christian to have a relationship with Jesus?* (RE Week)

W.c. 8th November - 'Let Battle Commence' (Anglo Saxons and Vikings)

W.c. 13th December - *What message did the angels bring?* (RE Week)

VERY IMPORTANT

- Filled water bottle
- Warm coat (soon!)
- Change of footwear

PE days - Please send your child to school dressed in their PE kit.

Naidu - Thursday and Friday

Pankhurst - Tuesday and Thursday

Wilberforce - Wednesday and Thursday

Homework Expectations

- **Reading** - at least four times a week
- **Spelling Shed** x 3 (10/15 mins)
- **Maths** - TTRockstars/Numbots x 3 (10/15 mins)

We really appreciate your continued support with this!
