Dear Parents/Carers,

Inspired by the Bible Society's 'Psalm 23 Garden', featured at the recent Chelsea Garden Show, we have decided to develop an area of our grounds.

School gardens offer both staff and pupils a place where they can be quiet and reflective, be surrounded by nature and engage with the natural world. Following suggestions from <https://www.biblesociety.org.uk/psalm-23/get-active/>, our garden design will need to include an area of meadow, an area of seating, a tree and an element of water.

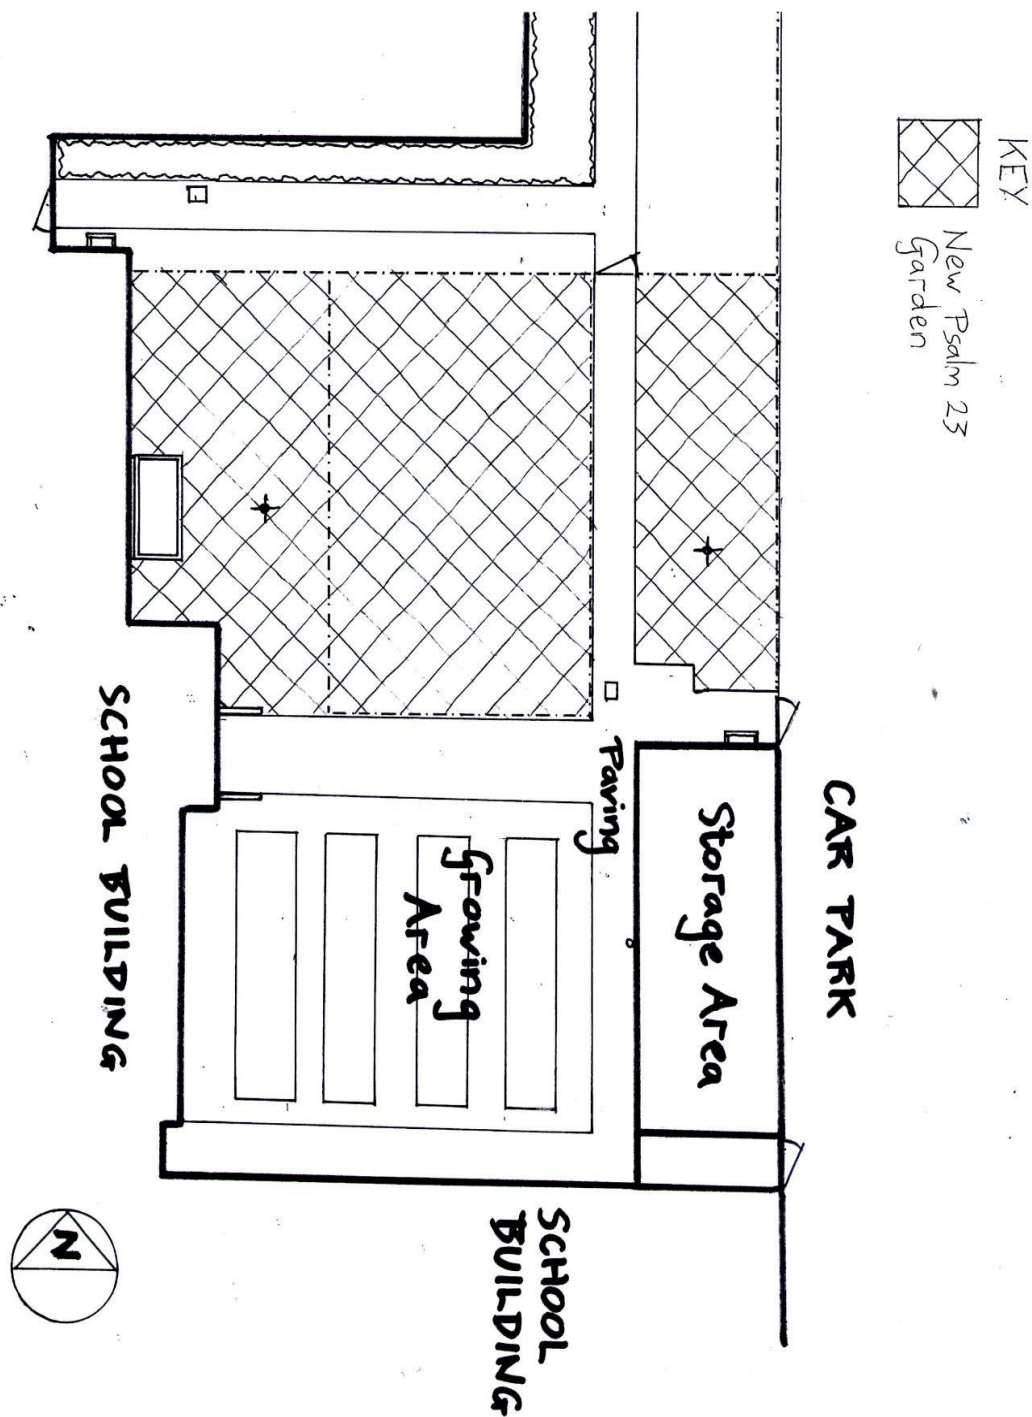

At this starting point in the project, we would like to invite parents/carers and pupils to contribute ideas as to how you envisage this special garden area looking and what you would like included.

Attached to this letter is a blank design outline for you to complete with your ideas. These can be drawn onto this outline or on a different piece of paper. Use a key to show different features if you wish.

We would appreciate it if you would return named and completed design ideas to your child's class teacher by Friday November 5th.

Yours sincerely

Miss McKay and Mrs Bodiam
