The Local Offer

The Local Offer is a one-stop shop for all the information you need about special educational needs and disabilities (SEND) in Norfolk. Find it at www.norfolk.gov.uk/send

The Local Offer has two main purposes:

- To provide clear, comprehensive, accessible and up-to-date information about the available provision and how to access it
- To enable children and young people, their parents, carers and professionals who work with them to influence the development and review of provision so it is responsive to local needs and aspirations.
