Packed lunches being eaten outside seems to be going well. Just a reminder that children must take packaging and left-overs home.

We are desperately trying to move to 'paperless' communication so that children do not have to bring too many letters home. For this to happen, we need a contact email address. If you wish to receive information this way, please give your email address to the office. All newsletters and correspondence are also put on our website.

Please make sure we have your up to date contact details.
email the office with any changes - office@derehamjunior.dneat.org, or send a note with your child

Dear parents and carers,

As you may be aware, the Dereham cluster have provided the services of cluster staff as Parent Support Advisers and a cluster attendance officer. Unfortunately, due to the funding cuts to clusters and to schools we can no longer afford these roles, and they will end at the end of the summer term this year. The cluster PSAs will continue to work alongside families that are currently receiving support, but will no longer be able to take new referrals. This is not a decision that has been taken lightly, but sadly we do not have the means to fund them after the end of the summer term. We would like to thank our cluster staff for their commitment and dedication to the families of the Dereham Cluster and we wish them well for the future.
