

Dereham Church Of England Junior Academy

Year 3 Newsletter

Hello...

This is my first newsletter and my first chance to introduce myself as the new Year 3 leader and teacher of Dolphin class. I've had an amazing first week at Dereham Junior Academy; the children have been incredibly welcoming and polite and I'm looking forward to seeing even more of what they can do in the coming weeks. Please feel free to grab me at the end of the day if you have any concerns or contact me through the office.

Mr. King

We speak Greek?

Our Greek week, before half term, included trying some Greek food here are some overheard comments...

"I didn't think I would like olives but I think they're delicious!"

"The hummus looked disgusting but was really tasty!"

"Our spellings are Greek words," (scope and spect) "We're speaking Greek!"

We think they had a great time!

This week has been R.E Week and the children's key question has been 'What is God like?' In English lessons, the children have been studying a Psalm. They have expressed how the author, a young boy called David, might have felt by using drama. In their poses, the children have shown how David might have felt before writing the psalm, whilst writing the psalm (including whilst out in the cold, dark night tending to his father's sheep) and how he felt once he found out he was the future king of Israel!
