Greek week!

We had a great time studying Ancient Greek warfare! We found clues on pots, learned about Greek hoplite soldiers and told stories of famous battles.

Horstead 2018

What an amazing week! We were grateful for beautiful weather and the children were able to make the most of the great outdoors.

From becoming budding Bear Grylls to expert archers, the children learned an abundance of new skills and conquered a number of fears! They showed great teamwork and problem solving skills.

Well done year 4!!
