# Year 6 News

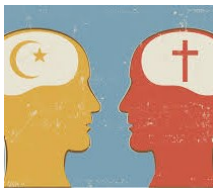

## Dereham Church of England Junior Academy

Issue 1

# The Final Stretch...

## Who Shapes Your Identity?

Over the past week, we have been exploring how our faith can influence the way in which we view the world and behave. We have studied the varying aspects of Islam and Christianity; drawing similarities and differences between them.

We are finally over the hurdle of SATS, a huge congratulations to all Year 6 children who performed brilliantly.

Whilst that is over, we can now return to a broader curriculum over the coming weeks.

An outline of what's to come:

- ◆ Residential week/ Arts Week (for those not attending the residential)
- ◆ Science week—Calling all budding scientists! Get your lab coats ready and prepare for some exciting experiments.
- ◆ Maths week and RSE Week—Become detectives and solve our very own murder mysteries.
- ◆ Science Week—Shine a light on your education and join us for some circus themed circuits.
- ◆ DT week—Roll Up! Roll Up! Design and produce your very own circus game.
- ◆ Transition Week

## This Terms Upcoming Dates:

Family Cafe	20/6
Why Me? Presentation	21/6
Sports Day	TBA
Leavers' Assembly and Church Services	TBA
Toucan Class Assembly	13/7
SATS Results	10/7
Transition Week	18/7

## WOW Work!

Year 6 had a great time researching about various animals and producing engaging and informative non-chronological reports.

These pieces made it onto our WOW Wall...can you spot yours?

**Tiger Facts**

*Did you know?* Tigers are the only big cats that can swim. They are also the only big cats that can climb trees.

*Fun fact:* A tiger's stripes are unique to each individual, just like human fingerprints.

*Did you know?* Tigers are the only big cats that can swim. They are also the only big cats that can climb trees.

**Dissect Dit**

For each of these shopping... *Dissect Dit* is a fun way to learn about the parts of a scorpion.

*Did you know?* Scorpions have eight pairs of legs and two pairs of pincers.

**The Life of A Scorpion**

Have you ever spotted a scorpion? Scorpions are arachnids, which means they have eight legs.

*Did you know?* Scorpions have a long, segmented tail called a metasoma.

**Amazing Approaches**

The Ancient Greek Soldier Scorpion... *Amazing Approaches* is a collection of creative projects.

*Did you know?* Scorpions are found in many parts of the world.

## Highlights from last term:

- Ancient Greek Week - the children thoroughly enjoyed learning all about the birth of democracy. They participated in role-play activities; discussions within class and a visit from a Greek soldier to shed light on life in Ancient Greece.
