Growth Mind-Set

We have made some excellent mistakes this week which have helped our learning. Many of these were to do with interpreting scales correctly in maths.

English

We all enjoyed ourselves when the circus came to town last week. From this visit, children produced some wonderful pieces of work. Some wrote amazing acrostic poems while others told a circus themed story. We also had children making amazing circus Haikus.

Key Info

Dates:

Friday 13th July Sports day.

Monday July 16th Year 3 Trip to Cromer.

Thursday July 19th End of year disco.

For our trip, children will need to be dressed appropriately for the weather in school uniform and in sensible footwear for being on the beach. Please make sure they have a hat, plenty of water and sunscreen (this could be applied before school).

Maths

In the last few weeks we have been trying to take our learning outside as much as possible. On the playground, we have been drawing shapes and then measuring their perimeters using metres, centimetres and millimetres. Last week, we estimated and measured the capacity of lots of different containers. It was lovely to get out in the s

Topic

This week we had a slight break from our topic of rocks and fossils to concentrate on the circus! The children really enjoyed their time learning some amazing circus skills. Many of them crossed a tightrope before going on to try to master the Ancient Chinese skill of diabolo. It was great to see the children out-do the teachers who were frankly rubbish!
