Dereham Church of England Junior Academy

Issue 3

## The Home Straight

### Its all about the Leavers!

In the last week we have had our Leavers Service at St Nicholas Church and our Leavers Assembly at school. There have been some wonderful performances of poems, prayers and songs by the children. We are proud of all of our Year 6 leavers but some have particular stood out and we wanted to show them our appreciation with some well deserved end of year awards.

We are racing towards the Summer holidays at what seems like 100mph and nearly everything we are doing at the moment is for the very last time ever!

There is not long left now but there are a couple more things still to come:

- ◆ Wells Trip— A chance to unwind with a day of fun games and fish 'n' chips at the beach.
- ◆ Final Day of Year 6—A time to have fun with friends and look back over fond memories.
- ◆ Transition Week—The journey to high school starts here!

### Highlights from earlier in the term:

- Circus Ferrel came to Dereham Junior Academy! We had lots of fun learning about life in the circus and taking part in work-shops. Did you catch a show?

## WOW Work!

Year 6 had a great time using their Science and DT skills to create functioning Circus Games
