**SAFE  
SCHOOL  
ZONE**

**We are determined to make sure the children are as safe as possible at school. With this in mind please take note of the following:**

**Arrival at School** A large number of children are arriving very early at school. This is not safe as currently, the children are supervised from 8.40 therefore any accidents or other events prior to this could go unnoticed. From Monday 24th September make sure that:

- No child is onsite before 8.30, at which time staff will be supervising. Anyone arriving before this time will be taken into school and **parents will be charged** for their child being in Breakfast Club
- Those children coming to Breakfast Club are not allowed on the school premises until 8.10am

**Mobile Phones** We strongly discourage children bringing mobile phones to school. These can be unsafe because they can be used to film, record or photograph others with the results being shared without permission. If you strongly feel that your child should bring their mobile, then they do so at their own risk. The school staff accept **no responsibility** for anything happening to them. From Monday 24th September, all mobiles must be handed in to the class teacher who will return them at the end of the day. Any not handed in will be confiscated and the child in question will not be allowed to bring it to school again.
