

# YEAR FIVE

## It's not fair!

This week Year 5 have been developing their skills working scientifically. The children were asked to investigate which nappy absorbed the most liquid to help parents decide which one they should buy.

In groups, the children had to plan and carry out a comparative investigation making sure they controlled as many variables as possible in order to obtain the most reliable results.

## Harvest Festival

A huge thank you for all the harvest donations that were given in for our trip to St Nicholas church on Tuesday afternoon. All donations were gratefully received and will help support those less fortunate who use the local foodbank. It was great to see so many parents and carers at the church enjoying the harvest service!

## SHOWCASE WRITE!

This week saw the first **Writer's Showcase** of the academic year, where children were given the opportunity to show off what they have learnt in English by planning and writing their own adventure story!

## Parents Evening

**Thank you to all the parents/ carers who have attended parents evening this week. It has been great to meet so many of you. If you have not yet made an appointment to meet your child's class teacher, please don't hesitate to speak to the school office.**

**Our final parents evening is on Tuesday 2nd October.**

## Recommended Read!

Our current guided reading text and a firm favourite in Year 5.
