

Year 4

Our NEW school Ethos...

Be Respectful, Be Safe, Be ready.

We are ALL working hard to show our school agreements in all that we do.

Keeping safe online...

Last week, we all took part in a workshop about how to stay safe on the internet.

We discussed what we should do if we see something inappropriate while online.

Report it – Report it to the website

Block it – Block the user

Screen shot it – take a screenshot as proof
log off!

We learnt how to decide on a password and that we should NEVER share personal information when we are using the internet.

Topic...

As part of our topic, *What have the Romans done for us?*, the children will be producing their own web pages to share what they have learnt. They will be using our new chrome books and iPADS to do this.

Reminder...

Please remember to send your child to school with a water bottle each day. Learning is thirsty work!
