

YEAR FIVE

Quick Quills and Positive Potions

NEW TOPIC:

This half-term our learning will be based on 'Harry Potter and the Philosopher's Stone' by J.K. Rowling. In English lessons we will learn how to write in the style of a newspaper report and playscript. In Topic lessons we will be exploring the properties and changes of different materials. Lots of fun to come!

Marvellous Maths!

During this half-term we are learning how to recognise and use prime, square and cubed numbers as well as factors and multiples.

A fast-paced recall of mental number facts will help in all areas of maths. Regular use of Sumdog or Mathletics will aide your child with this.

The same log-in and password can be used for both. If you have any log-in issues please do let your child's class teacher know.

Parliament Week

During 12 - 18 November we will be exploring how history has shaped our democracy and finding out how we can get involved today.

Author Visit

On Tuesday 20th November Year 5 will be taking part in workshops with Dave Rudden, the author of the *Knights of the Borrowed Dark* trilogy.

We are aiming to have some signed books for sale on the day.
