**Regular attendance at Clubs**

To receive our Weekly Bulletin, bi weekly Newsletters and other correspondence please ensure we have your email address

We have been able to provide extra-curricular activities for free so far this year and there has been a fantastic range of lunchtime and after school activities to take part in. Unfortunately, many children do not attend regularly and decide to miss the club. It is a great shame to take up a place that another child would appreciate so if we find that children miss sessions without letting the office know well in advance, we may offer the place to another child. More details to follow on clubs in the new year.

**BOOKS FOR SCHOOLS**

**Mr Williamson**

Mr Williamson has decided to move on after 10 years at the school. He has taught classes across the age range, most recently in year 4 and led a range of curriculum areas, including Geography and running film clubs and pioneering reading for enjoyment. We thank him for his commitment to the children over many years and we wish him well into the future.
