**Safer Internet Parent Workshops**

*My background is as an ICT Subject Leader and previously as an E-safety Advisor at Norfolk County. Through my role as a Union Officer, I work closely with schools advising on social media awareness.*

*The session is ideal for Y5/6 parents especially those preparing for transition and the issues faced by pupils going up to High School e.g. mobile phones, using different social media platforms and 'secret' apps.*

*The aim is to update and build confidence in parents on what they can do! **Scott Lyons***

**Outside Play**

We encourage children to be active outside at break and lunchtimes, including on the field when it is dry enough. Please send in a change of footwear in a bag to keep school shoes, and the school, as mud free as possible!

**Parking on Site**

**Please park considerably at school pick up and drop off times to ensure the bus, and emergency vehicles can get round the horseshoe**
