Friday 14th June 2019

Fancy a trip to the moon and back? How about becoming a detective and solving a mystery? Or visiting a far-away land? Well *anything's* possible with a good book, and with a bedtime story, you get to do it all from the comfort of your own room!

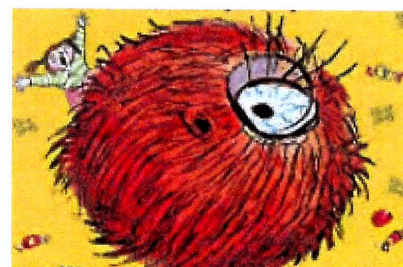

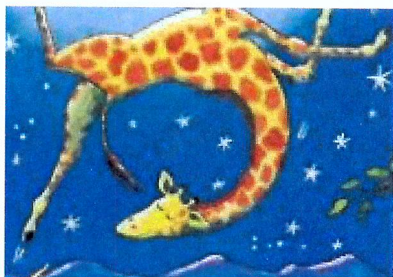

That's right - reading can take you anywhere and everywhere, and not only that, research now tells us that there are some massive brain boosting benefits to bedtime stories as well!

Following the success from our previous bedtime stories event, we're putting on a *Summertime Stories* evening on **Thursday 27th June** from **5-6pm!**

Come back to school in your summer clothes and bring your favourite blanket to get comfy outside (weather permitting!) Then grab a drink, an ice cream and relax while our teachers read you some of their favourite bedtime stories – who knows where they'll take you?!

If you'd like to attend, all you need to do is return the below slip to your teacher by **Friday 21st June**.

Grown-ups! If your child would like to attend this free event, please complete and return the slip below by Friday 21st June. It's really importance that we know who is coming in advance, **as we'll be unable to welcome children on the night who haven't registered.** In the meantime, if you have any questions or require any further information, please contact the school office.

I confirm that my child _____ in _____ Class
is able to attend the Summertime Stories event on Thursday 27th June between 5-6pm.

Signed _____ Date _____
