

# YEAR FIVE

## Space Art

Year 5 have also been creating some wonderful pieces of art themed around space, taking inspiration from the artist Peter Thorpe. To create their pieces, they had to create a collage using different mediums and techniques such as marbling, watercolours, pastels and paint splatter.

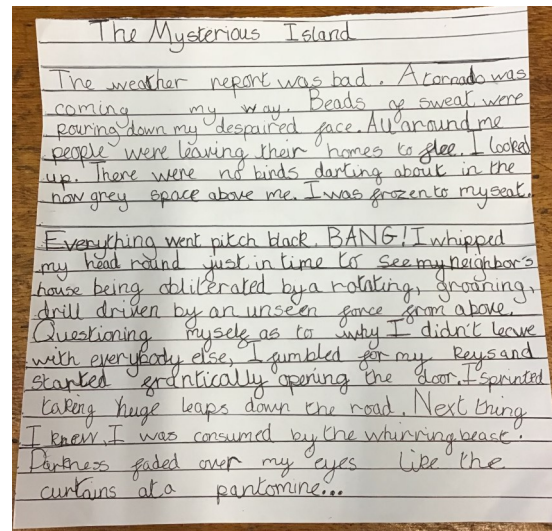

## Space Invaders!

To kick off our topic all about Space this half term, Year 5 welcomed the Planetarium into school last week.

The Planetarium itself is portable (think inflatable igloo!) and projected many fascinating images of space onto the ceiling. The children took a tour through the our solar system, saw the stars in our night sky and discussed the 50th anniversary of the moon landing!

## Excellent Writing

Look at this wonderful extract of writing from Alex, telling the story of a desperate attempt to create life on a new planet. Well done, Alex!

## Sports Day 2019

Sports Day this year is going to be held, weather permitting, on Friday 28th June.

A reserve date is also prepared a week later in case.

Remember to bring your invitation.

**We can't wait!**

## Boys Vs Girls

Year 5 are holding a TTRockstars *Battle of the Bands!*

The battle commences at 4pm today (Monday 17<sup>th</sup> June) and finishes on Sunday 30<sup>th</sup> June at 5pm.

Every point counts so log-in and get calculating!

Who will be the champions? Will you be the 'Most Valuable Player'??
