BIG Art Day!

Changes topic....

On Tuesday, we had a really enjoyable day creating some extraordinary BIG Art in our four house teams: Earth, Water, Fire and Air.

We still have lots of fun things to do before the children transition to High School.

Coming up in the changes topic:

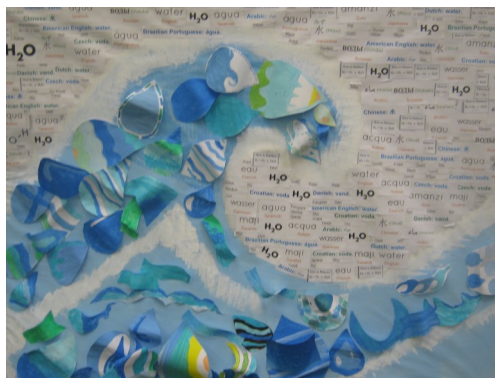

The day was a huge success: the children worked collaboratively to produce their final pieces with—I'm sure you will agree—some extremely impressive results!

- ◆ Two exciting Maths projects: 'Murder Mystery' and 'Planning a Prom'.
- ◆ Relationship and Sex Education (RSE) - details were sent in a separate letter.
- ◆ Drama and Music work linked to the famous musical, 'Oliver Twist', which is based on a Charles Dicken's novel.

Check out some of their work in the photos below and right.

Can you guess which element is being represented in each work of Art?

Earth? Water? Air? Fire?

Upcoming Dates:

Sports Day and Family Picnic	Fri 28th June
Leavers Disco	Thurs 11th July
Y6 Leavers Service (2pm)	Fri 12th July
Y6 Wells Trip	Mon 15th July
Y6 Leavers Assembly (morning)	Tues 16th July
