

Dereham Church Of England Junior Academy

Year 3 Newsletter

Key Info

There is one last swimming session for Curie and Einstein next week. There will not be any swimming during transition week.

Cromer trip is on Tuesday 16th July.

Mixing classes

We know some parents have been disappointed to learn that we are mixing up the classes when the children move into Year 4. We can assure you that this decision was not taken lightly, but after weighing up many factors including; class sizes, dynamics and academic success, it was decided that a mix was the right thing to do for our children as a whole. You'll find out your new child's class when transition week begins on Thursday 18th July.

Reports

Reports are due out on Friday 12th. If you would like to discuss your child's report, please feel free to come and chat to us on the gate as usual or book an appointment with the office. The parental comment on the report forms really help us to know how we are doing, so please pop any general comments (positive or constructive) onto these.

A big thank you!

How time flies! It doesn't seem that long ago since we were welcoming you and the children to Dereham Junior Academy. We are immensely proud of the children; their work, their behaviour and their enthusiasm. A big thank you to all the parents for your support this year, your children would not have made such great progress without you. Just like we've been banging on about since Christmas, please continue to read with your child over the summer holidays. Parental engagement has been proven to have a huge impact on a child's academic abilities. Other useful things that you could do over the summer (if the children are bored), would be to help them tell the time and revise their 3, 4 and 8 times tables. Times Table Rockstars and Mathletics will still be available over the summer. But, most importantly, enjoy the break!
