

Passport To Europe!

This half term, Year 5 will begin their school year taking a 'trip' to Europe with captains and air hosts made up of their teachers and teaching assistants! During the half term, they will learn about the geography, both physical and human, of Europe as well as learn about grid references and how to read a map and plan a route, We will learn greetings and key facts about European countries as well as having the opportunities to try some foods from Europe. The children will get the opportunity to learn about some key art movements from Europe and then try their hand at using the techniques studied to create their own pieces of artwork. The topic will finish with a campaign for cities to host the Euro 2020 final which we will write and then present, using the persuasive skills learnt in English.
