Eco Council

The environment is such an important issue for all of us. We want to develop our pupils awareness of environmental issues and improve the way we, as a school, do our bit. Every class has appointed a class representative to form the school **Eco Council**. **We are looking for parents/carers to join us.** If you are interested in being a parent Eco Representative on our Eco Council, please contact the office.

We are a Nut Free school.

Reminder - Please DO NOT send in any nut products, either in packed lunches or as snacks. This is due to severe nut allergies within school. Many thanks for your co-operation.
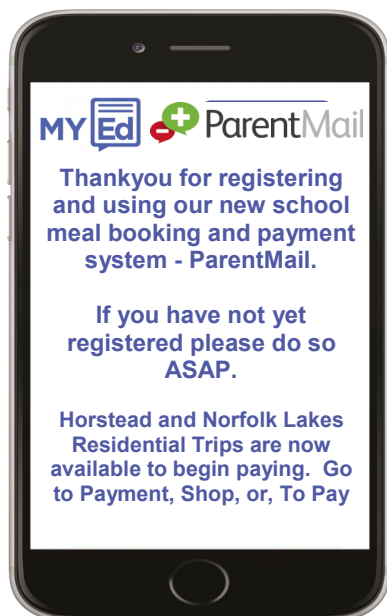

Some children seem to be coming into school in purple polo shirts. These shirts were made by mistake and should not be in circulation. School uniform is a white polo shirt.
