Year 6 News

Dereham Church of England Junior Academy

Issue 2

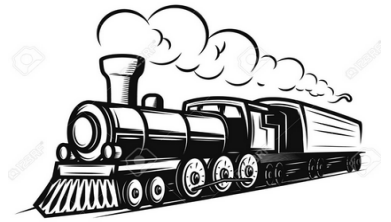

Rainforest Work *Picking Up Momentum*

Children have been learning about classification of living things and also creating leaf art using natural colour pallettes and shading.

Nearly one half term completed!

We have certainly packed a lot into this half term.:

Brazil day, Harvest festival, music lessons, Activ8 sessions with Paddy and not forgetting all of our English, Maths and Topic work. Next half term promises to be just as busy, and just as much fun.

Sharing Assembly

Austen class wowed pupils and parents in their sharing assembly when they put on a short play to show what they have learned about human intervention in the rainforest.

They had clearly worked very hard and learned a great deal.

An outline of what's still to come:

- ◆ Final week of term is RE week. We will be looking at an area of religion and trying to understand how it might be relevant to us.
- ◆ We also have our House Captains and Prefects starting to undertake their roles in school and lots of students wanting to set up and run clubs.

This Half Terms Upcoming Dates:

| | |
|----------------------------------|-------------------|
| Parents Evenings | 15th and 17th Oct |
| Deadline for Residential deposit | 16th Oct |
| Last day of term | 18th Oct |

Reminders:

Please remember to:

- Read regularly at home
- Practice Spellings

Please remember to bring in:

- PE Kits (2 sessions)
- Water bottles

Check our website for photos and information about things going on in Year 6!

WOW!

A team of four Year 6 Mathematicians had a great time competing in a Maths Challenge Competition at Northgate High School last week. Lots of fun was had, minds were stretched and they did our school proud — coming 4th out of 9 schools!
