Hard at work with Macbeth!

We have been busy in Year 6 working on our Macbeth unit of work.

On Monday we held a two minutes silence at 11.00 to commemorate those who have died in conflict.

We have written diary entries based on the events of Macbeth and learned about the summary of A Midsummer Night's Dream in Reading Masters.

Tuesday was odd sock day for Anti-bullying week and many of our children came to school wearing incredibly odd sock combinations to show their support.

We have studied the water cycle, rivers and the formation and uses of the Norfolk Broads in Topic.

We have continued to look at adding, subtracting, multiplying and dividing fractions in Maths. This is as well as our PE, Music, RSE and French.

On Friday we will be celebrating Children in Need day by having a sponsored ramble in the afternoon. We are sure that everyone (including any parents who join us) will have a great time.

Next up we look at autobiographies and biographies. In English, Decimals and percentages in Maths and Light and Shadow in Science.
