

# Year 6 SATs 2020 Presentation for Parents, Carers & Guardians

22/1/2020

## What are the SATs?

- What and when are they?
- How are the results shown and reported
- What tests are there?
- How can you support your children?
- What will we be doing in school?
- What is SATs Breakfast Club?

#### What are the SATs?

- SATs is a term people use to refer to End of Key Stage 2 Assessments;
- It lasts for four days beginning on Monday 11<sup>th</sup> May 2020 and ending on Thursday 14<sup>th</sup> May 2020;
- Children will sit the following SATs papers:
  - Grammar, Punctuation and Spelling (Paper 1) Monday 11<sup>th</sup> May 2020;
  - Grammar, Punctuation and Spelling (Paper 2) Monday 11<sup>th</sup> May 2020;
  - Reading Tuesday 12<sup>th</sup> May 2020;
  - Maths Paper 1 (Arithmetic) Wednesday 13<sup>th</sup> May 2020;
  - Maths Paper 2 (Reasoning) Wednesday 13th May 2020;
  - Maths Paper 3 (Reasoning) Thursday 14th May 2020.
- Writing is assessed using evidence collected by your child's teacher throughout Year 6, so there is no Year 6 SATs writing test.
- There will be no Science sampling for Year 6 this year. Therefore, **no Year 6 Science SATs Paper in 2020**.

<sup>\*</sup>The key stage 2 tests will be taken on set dates unless your child is absent, in which case they may be able to take them up to 5 school days afterwards.

## When and how are the SATs carried out?

- The tests will take place during normal school hours, under exam conditions;
- Children are not allowed to talk to each other from the moment the assessments are handed out until they are collected after the test has ended;
- Afterwards, the completed papers are sent away to be marked externally;
- The children's results are sent back to school at some point in July;
- The standard timings of tests differ but last no more than 60 minutes:
  - Grammar, Punctuation and Spelling (Paper 1) 45 minutes;
  - Grammar, Punctuation and Spelling (Paper 2) 15 minutes;
  - Reading 60 minutes;
  - Maths Paper 1 (Arithmetic) 30 minutes;
  - Maths Paper 2 (Reasoning) 40 minutes;
  - Maths Paper 3 (Reasoning) 40 minutes.

## **Specific arrangements for SATs:**

Children with additional needs, who have similar provision in their day-to-day learning at school, may be allotted specific arrangements, including:

- Additional (extra) time;
- Tests being opened early to be modified;
- An adult to read for them;
- An adult to scribe (write) for them;
- Written or spoken translations of the mathematics reasoning papers;
- The use of prompts or rest breaks;
- Arrangements for children who are ill or injured at the time of the tests.

<sup>\*</sup>Pupils with an EHC plan are automatically allowed up to 25% additional time (except for the spelling paper, which is not strictly timed). Pupils who use the modified large print or braille versions of the tests are automatically allowed up to 100% additional time

#### What sort of results are reported?

Once marked, the tests will be given the following scores:

- A raw score (the total number of marks achieved for each paper);
- A scaled score (which is explained below);
- A judgement of whether the National Standard has been met.

After marking each test, the external markers will convert each raw score into a scaled score to show whether each child is working below, at or above the national standard.

When the scaled score is given, it is given in a range from 80 to 120.

A scaled score of 100 or more is meeting the national standard.

There are no separate tests for higher achieving pupils; however, a scaled score close to 120 (110+) would show that a child is working above the national standard.

## **Grammar, Punctuation and Spelling**

Grammar, Punctuation and Spelling is made up of two papers which will take place on **Monday 11<sup>th</sup> May 2020**:

- Paper 1 is the longer paper lasting 45 minutes, children will be tested on grammar, punctuation and spelling generally;
- Paper 2 is a shorter paper lasting 15 minutes, where children will be tested
   on spelling only they are asked to fill in a blank within a sentence,
   attempting to spell out the spelling word in context correctly.

## **Grammar, Punctuation and Spelling (Paper 1)**

Grammar, Punctuation and Spelling (Paper 1) is the longer paper lasting 45 minutes, which takes place on **Monday 11<sup>th</sup> May 2020**.

The children will be prepared by their class teacher so they are equipped with a good knowledge of the technical vocabulary needed to identify and describe various aspects of grammar and punctuation marks.

Grammar, Punctuation and Spelling (Paper 1) focuses on the following areas:

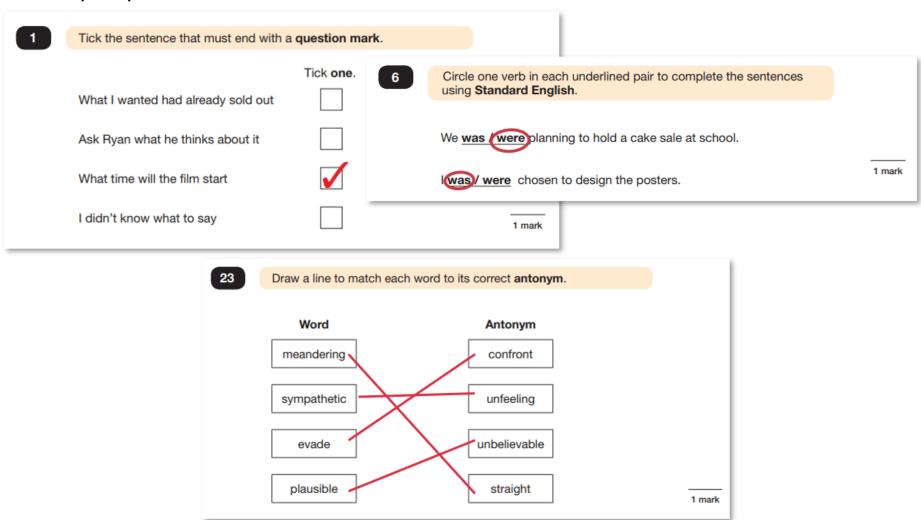

- Grammatical terms/word classes;
- Functions of sentences;
- Combining words, phrases and clauses;
- Verb forms, tenses and consistency;
- Punctuation;
- Vocabulary;
- Standard English and formality.

Grammar, Punctuation and Spelling (Paper 1) requires a range of answer types such as circling missing capital letters, multiple choice questions, one-word answers, but **does not require longer formal answers**.

# **Grammar, Punctuation and Spelling (Paper 1)**

Tick the sentence that must end	with a <b>question mark</b> .	c.	
What I wanted had already sold o	Tick <b>one</b> .	Circle one verb in each underlined pair to complete the sentences using <b>Standard English</b> .	
Ask Ryan what he thinks about it		We was / were planning to hold a cake sale at school.	
What time will the film start		I was / were chosen to design the posters.	1 mark
I didn't know what to say		1 mark	
23	Draw a line to match	n each word to its correct antonym.	
	Word meandering	Antonym	
	sympathetic	unfeeling	
	evade	unbelievable	
	plausible	straight 1 mark	

## **Grammar, Punctuation and Spelling (Paper 1)**

## **Grammar, Punctuation and Spelling (Paper 2)**

Grammar, Punctuation and Spelling (Paper 2) is the shorter paper lasting 20 minutes, which takes place on **Monday 11<sup>th</sup> May 2020**.

## Example questions:

19. Omar put the cutlery back in the \_\_\_\_\_\_.

20. Ellen's gold bracelet was her most treasured \_\_\_\_\_

## **Grammar, Punctuation and Spelling (Paper 2)**

Grammar, Punctuation and Spelling (Paper 2) is the shorter paper lasting 20 minutes, which takes place on **Monday 11<sup>th</sup> May 2020**.

#### Example questions:

19. Omar put the cutlery back in the \_\_\_\_\_\_.

20. Ellen's gold bracelet was her most treasured \_\_\_\_\_\_

Spelling 19: The word is drawer.

Omar put the cutlery back in the drawer.

The word is drawer.

Spelling 20: The word is possession.

Ellen's gold bracelet was her most treasured possession.

The word is possession.

The Year 6 Reading SATs paper will be sat on **Tuesday 12**th **May 2020**. The assessment has been designed to measure whether children's comprehension of age-appropriate reading material meets the national standard. It a standard timing of **60 minutes**, including reading the texts and answering questions. There are three different set texts for the children to read, which could be any combination of **non-fiction**, **fiction and/or poetry**.

The Reading paper focuses on the following areas known as Content Domains:

- 2a) give/explain the meaning of words in context;
- 2b) retrieve and record information/identify key details from fiction and non-fiction;
- 2c) summarise main ideas from more than one paragraph;
- 2d) make inferences from the text/explain and justify inferences with evidence from the text;
- 2e) predict what might happen from details stated and implied;
- 2f) identify/explain how information/content is related and contributes to meaning as a whole;
- 2g) identify/explain how meaning is enhanced through choice of words and phrases;
- 2h) make comparisons within the text.

The Year 6 Reading SATs paper requires a range of answering styles, including responding to **multiple choice questions**, **one-word answers**, and multiple mark questions which require **more formal paragraph-length answers**.

Example question, based on Text 1 – *Space Tourism*:

#### How would you get to your space hotel?

In the future there may be hotels in space for all the tourists. It wouldn't take long for the space shuttle to get out of the Earth's atmosphere.

Then, without Earth's gravity, you would become weightless. Arrival at the hotel would be like an aeroplane parking at an airport, but you would leave the cabin floating along the access tube, holding on to a cable.

2	How would you get from the spacecraft to the space hotel?		
		-	
		-	1 mark

2b) retrieve and record information/identify key details from fiction and non-fiction

Example question, based on Text 1 – *Space Tourism*:

#### How would you get to your space hotel?

In the future there may be hotels in space for all the tourists. It wouldn't take long for the space shuttle to get out of the Earth's atmosphere. Then, without Earth's gravity, you would become weightless. Arrival at the hotel would be like an aeroplane parking at an airport, but you would leave the cabin floating along the access tube, holding on to a cable.

2	How would you get from the spacecraft to the space hotel?		
	Award 1 mark for answers that refer to floating down the tube (holding the cable).		
		1 mark	

2b) retrieve and record information/identify key details from fiction and non-fiction

Example question, based on Text 2 – *Giants*:

17

Gentle, and small, and frail

Which part of the snail do these words describe?

Circle the part of the snail in the picture below.

How would you like it –
Supposing that you were a snail,
And your eyes grew out on threads,
Gentle, and small, and frail –
If an enormous creature,
Reaching almost up to the distant skies,
Leaned down, and with his great finger touched
Your eyes
Just for the fun

1 mark

2b) retrieve and record information/identify key details from fiction and non-fiction

Example question, based on Text 2 – *Giants*:

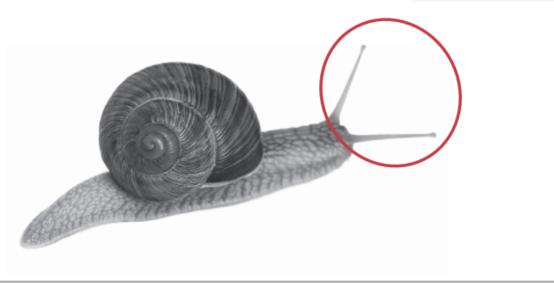

17

Gentle, and small, and frail

Which part of the snail do these words describe?

Circle the part of the snail in the picture below.

How would you like it –
Supposing that you were a snail,
And your eyes grew out on threads,
Gentle, and small, and frail –
If an enormous creature,
Reaching almost up to the distant skies,
Leaned down, and with his great finger touched
Your eyes
Just for the fun

2b) retrieve and record information/identify key details from fiction and non-fiction

1 mark

Example question, based on Text 3 – *The Lost World*:

I had the same feeling of mystery and danger around us. In the gloom of the trees there seemed a constant menace and as we looked up into their shady foliage, vague terrors crept into one's heart. The iguanodons we had seen were lumbering, inoffensive brutes which were unlikely to hurt anyone, but what other creatures might there not be – ready to pounce upon us from their lair among the rocks or brushwood?

36

Based on what you have read, what does the last paragraph suggest might happen to the explorers next?

Use evidence from this paragraph to support your prediction.

2 marks

2e) predict what might happen from details stated and implied

Example question, based on Text 3 – *The Lost World*:

#### Examples of 2 mark responses:

- A vicious beast is going to eat them later on because it says there is a constant menace therefore they may not get to confirm to England that they were real dinosaurs.
- I think they will journey on to try to locate some more creatures, for in the text it says 'what other creatures might there not be ready to pounce upon us from their lair among the rocks and brushwood'

36

Based on what you have read, what does the last paragraph suggest might happen to the explorers next?

Use evidence from this paragraph to support your prediction.

2 marks

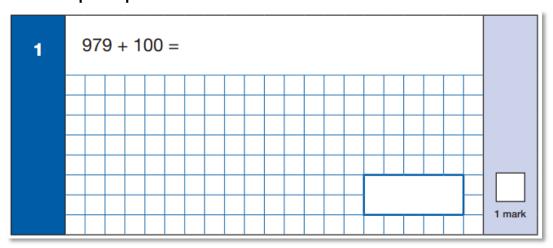

2e) predict what might happen from details stated and implied

Maths Paper 1 (Arithmetic) will take place on Wednesday 13th May 2020.

It has a standard timing of 30 minutes and is worth a total of 40 marks.

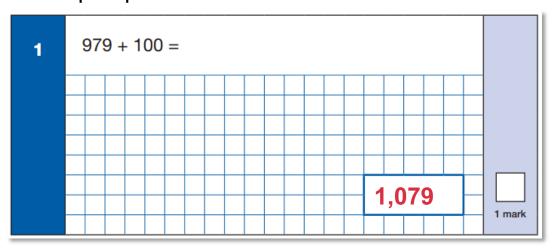

It covers the **four operations** (division, multiplication, addition, subtraction and mixed operation calculations requiring **BIDMAS**), as well as **number properties**, calculating **percentages of amounts**, calculations using **decimals**, and calculations using **fractions**.

Maths Paper 1 (Arithmetic) will take place on Wednesday 13th May 2020.

It has a standard timing of 30 minutes and is worth a total of 40 marks.

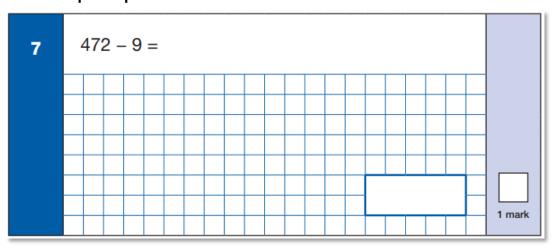

It covers the **four operations** (division, multiplication, addition, subtraction and mixed operation calculations requiring **BIDMAS**), as well as **number properties**, calculating **percentages of amounts**, calculations using **decimals**, and calculations using **fractions**.

Maths Paper 1 (Arithmetic) will take place on Wednesday 13th May 2020.

It has a standard timing of **30 minutes** and is worth a total of **40 marks**.

It covers the **four operations** (division, multiplication, addition, **subtraction** and mixed operation calculations requiring **BIDMAS**), as well as **number properties**, calculating **percentages of amounts**, calculations using **decimals**, and calculations using **fractions**.

Maths Paper 1 (Arithmetic) will take place on Wednesday 13th May 2020.

It has a standard timing of **30 minutes** and is worth a total of **40 marks**.

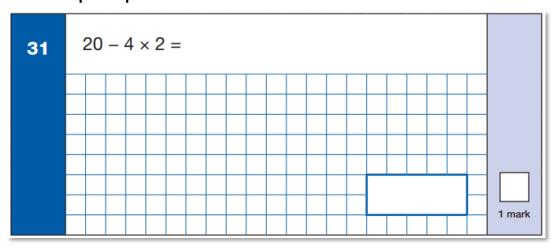

It covers the **four operations** (division, multiplication, addition, **subtraction** and mixed operation calculations requiring **BIDMAS**), as well as **number properties**, calculating **percentages of amounts**, calculations using **decimals**, and calculations using **fractions**.

It has a standard timing of 30 minutes and is worth a total of 40 marks.

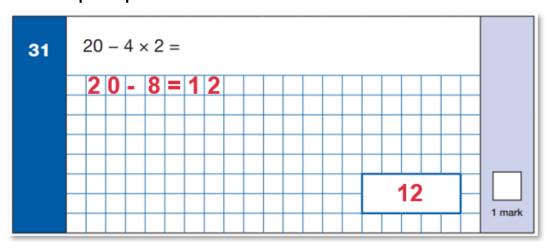

It covers the **four operations** (division, multiplication, addition, subtraction and mixed operation calculations requiring **BIDMAS**), as well as **number properties**, calculating **percentages of amounts**, calculations using **decimals**, and calculations using **fractions**.

Maths Paper 1 (Arithmetic) will take place on Wednesday 13th May 2020.

It has a standard timing of **30 minutes** and is worth a total of **40 marks**.

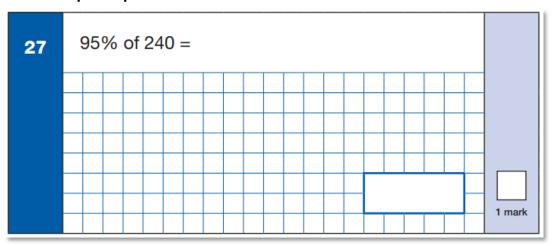

It covers the **four operations** (division, multiplication, addition, subtraction and mixed operation calculations requiring **BIDMAS**), as well as **number properties**, calculating **percentages of amounts**, calculations using **decimals**, and calculations using **fractions**.

Maths Paper 1 (Arithmetic) will take place on Wednesday 13th May 2020.

It has a standard timing of 30 minutes and is worth a total of 40 marks.

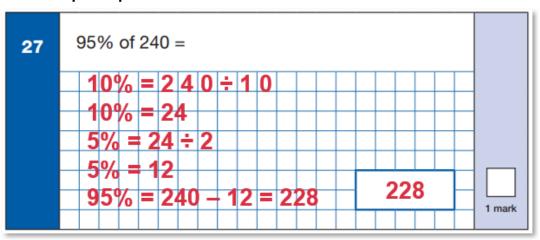

It covers the **four operations** (division, multiplication, addition, subtraction and mixed operation calculations requiring **BIDMAS**), as well as **number properties**, calculating **percentages of amounts**, calculations using **decimals**, and calculations using **fractions**.

Maths Paper 1 (Arithmetic) will take place on Wednesday 13th May 2020.

It has a standard timing of **30 minutes** and is worth a total of **40 marks**.

It covers the **four operations** (division, multiplication, addition, subtraction and mixed operation calculations requiring **BIDMAS**), as well as **number properties**, calculating **percentages of amounts**, calculations using **decimals**, and calculations using **fractions**.

Maths Paper 2 (Reasoning) will take place on **Wednesday 13th May 2020**. Maths Paper 3 (Reasoning) is scheduled for **Thursday 14th May 2020**. Both have standard timings of **40 minutes** and are worth **35 marks** each.

Paper 2 requires children to demonstrate their mathematical knowledge and skills, as well as their ability to solve problems and their mathematical reasoning.

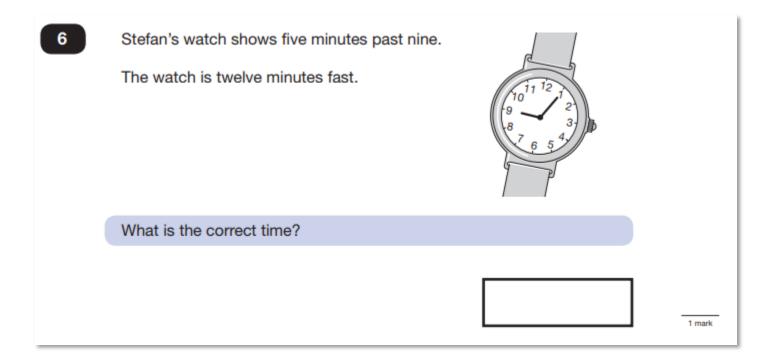

#### Questions focus on the following Mathematical topic areas:

- Number and place value—including Roman Numerals;
- Addition, subtraction, multiplication and division (calculations);
- Geometry properties of shapes;
- Geometry position and direction;
- Statistics;
- Measurement including length, perimeter, mass (weight), volume, time and money;
- Algebra;
- Ratio and proportion;
- Fractions, decimals and percentages.

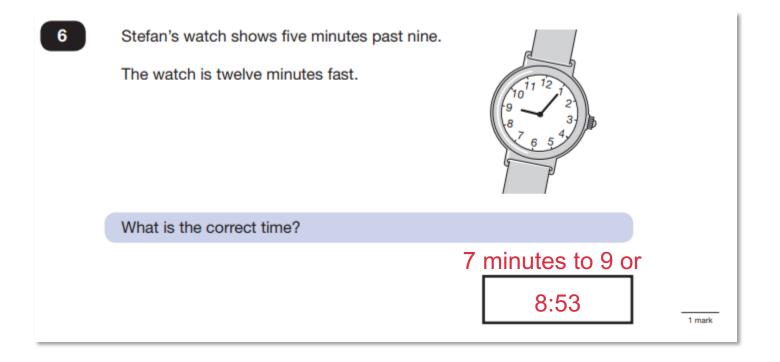

The questions get harder throughout the paper.

It is not unusual for a child to be unable to complete the entire paper in time.

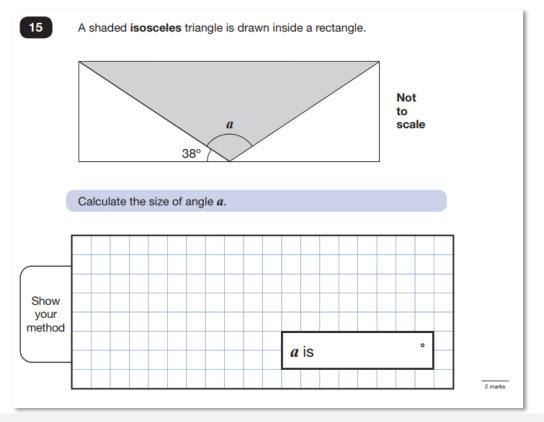

Maths Paper 2 (Reasoning) will take place on **Wednesday 13th May 2020**. Maths Paper 3 (Reasoning) is scheduled for **Thursday 14th May 2020**. Both have standard timings of **40 minutes** and are worth **35 marks** each.

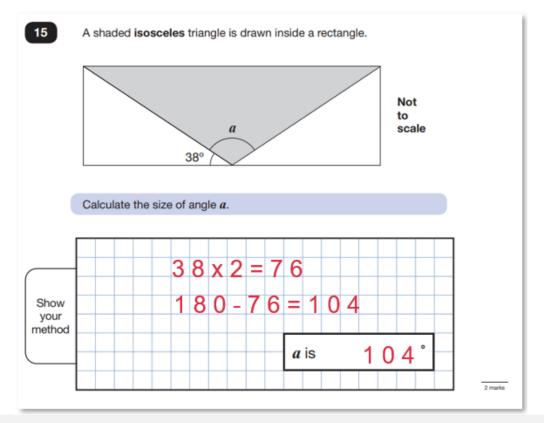

Maths Paper 2 (Reasoning) will take place on **Wednesday 13th May 2020**. Maths Paper 3 (Reasoning) is scheduled for **Thursday 14th May 2020**. Both have standard timings of **40 minutes** and are worth **35 marks** each.

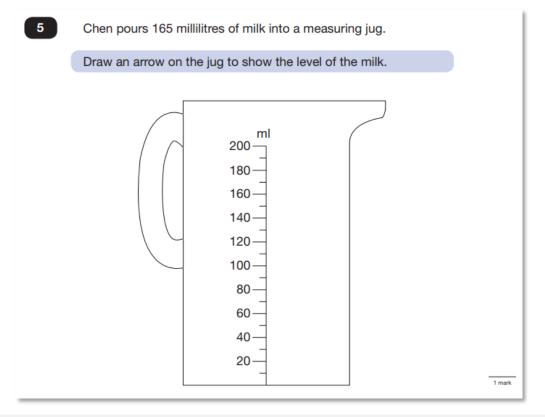

Maths Paper 2 (Reasoning) will take place on **Wednesday 13th May 2020**. Maths Paper 3 (Reasoning) is scheduled for **Thursday 14th May 2020**. Both have standard timings of **40 minutes** and are worth **35 marks** each.

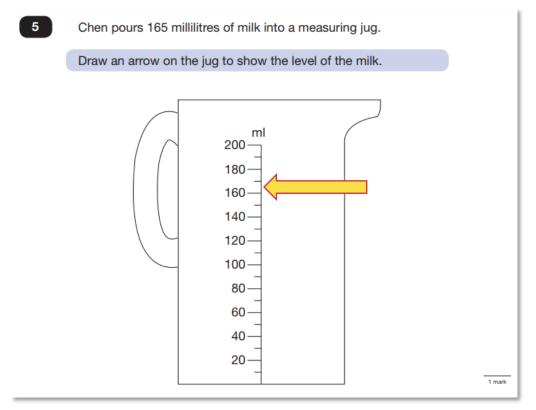

Maths Paper 2 (Reasoning) will take place on **Wednesday 13th May 2020**. Maths Paper 3 (Reasoning) is scheduled for **Thursday 14th May 2020**. Both have standard timings of **40 minutes** and are worth **35 marks** each.

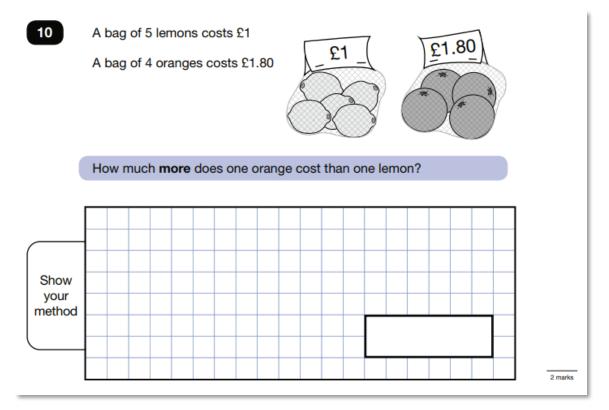

Maths Paper 2 (Reasoning) will take place on **Wednesday 15th May 2019**. Maths Paper 3 (Reasoning) is scheduled for **Thursday 16th May 2019**. Both have standard timings of **40 minutes** and are worth **35 marks** each.

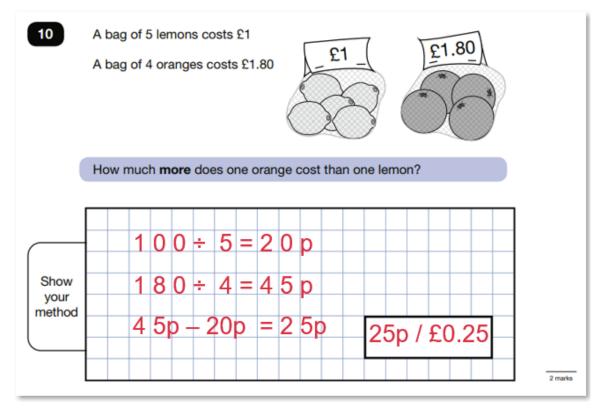

Maths Paper 2 (Reasoning) will take place on **Wednesday 13th May 2020**. Maths Paper 3 (Reasoning) is scheduled for **Thursday 14th May 2020**. Both have standard timings of **40 minutes** and are worth **35 marks** each.

Maths Paper 2 (Reasoning) will take place on **Wednesday 13th May 2020**. Maths Paper 3 (Reasoning) is scheduled for **Thursday 14th May 2020**. Both have standard timings of **40 minutes** and are worth **35 marks** each.

Maths Paper 2 (Reasoning) will take place on **Wednesday 13th May 2020**. Maths Paper 3 (Reasoning) is scheduled for **Thursday 14th May 2020**. Both have standard timings of **40 minutes** and are worth **35 marks** each.

## How can I support my child in preparing for their SATs?

Firstly, a positive attitude goes a long way – so as much encouragement and support as possible (but we don't need to tell you that)!

#### Some further tips:

- Attend any meetings the school holds about SATs;
- Direct any questions or concerns you have about SATs to your child's teacher, rather than worry your child with them;
- Give your child opportunities to go outside and avoid overuse of screens this can apply to leisure pursuits as well as how they study;
- Try to provide a quiet corner of the house for homework and study, that's as free from distractions as possible;
- Encourage your child to talk to their teacher or another adult they trust if they express persisting anxieties about SATs. Remember that a small amount of anxiety is normal and not harmful;
- If your child is unwilling to talk to their teacher, talk to them yourself;
- Plan something nice and fun for the weekends before and after SATs this will help your child start the week well and also give them something to look forward to;
- Ensure your child is eating and drinking well, and getting a suitable amount of sleep.

#### **Remember this about SATs:**

#### SATs focus on what they know about Maths and English

They won't reflect how talented they are at Science, Geography, Art or PE, and they certainly won't highlight positive personal characteristics such as kindness and integrity.

#### SATs results don't always tell the whole story

The results will say they DID or DIDN'T meet a certain standard, but not necessarily by what margin. Additionally, the thresholds tend to change each year according to overall national performance, so what was classed as 'did meet the expected standard' in 2016 may have been considered a 'did not' in 2015. We will be able to provide you with more detailed feedback of your child's progress so don't let your child see SATs as a simple case of 'pass' or 'fail'.

#### SATs last for one week

In reality it's just one or two papers lasting 30-60 minutes each day. You can't emphasise enough the importance of keeping that in perspective.

#### What should I do if I'm worried about my child?

It would be unnatural for SATs not to induce a certain degree of worry or anxiety but there is, of course, a tipping point.

#### SATs should not:

- affect a child's appetite;
- affect a child's ability to sleep;
- alter a child's personality;
- induce panic, tears or disengagement from lessons;
- be a reason not to attend school.

If any of the above are evident, then SATs may be causing an excessive degree of anxiety, and your child may benefit from additional support. This isn't about removing the reality of SATs, but rather equipping your 10 or 11 year old child to cope with the situation and be stronger for it.

#### What should I do if I'm worried about my child? (continued)

#### Steps to take:

#### Talk to the school

Is your child showing the same symptoms at school as they are at home? Is there anything else going on at home which may be contributing to your child's overall level of stress? Work with the school so everyone concerned can be offering the support that's needed.

#### Spend time with your child

Try to understand what aspect of SATs concerns them most. Is it the worry of 'failing'? Is it the worry of getting stuck on a paper? If your child can pinpoint what's bothering them most, you can take specific steps to help reassure them.

#### Try not to project your own anxieties or views on the SATs

If you don't believe in SATs, or do not think your child should be doing them, then neither will they.

#### Confront any media coverage

Show clippings if there's been anything negative and ask them to talk about what they're seen and how they feel. Reinforce the reality.

#### **Encourage your child to talk to their teacher**

SATs are obviously linked to school, so don't be surprised if they favour the reassurance of teachers above family members.

#### What we will do

- A dedicated Year 6 team who have years of experience with the SATs tests
- Scheduled Mock tests
- Planned (and currently running) intervention sessions targeting areas where children lack confidence
- Weekly PHSE sessions to discuss and share concerns
- Pastoral Workers to support
- Mentors from across the school as a whole who will check in with children
- A pre-SATs class Life Coaching session with Paddy

#### What we will do - Resources

## Genius Maths

- Past Papers
- Organised into areas Arithmetic 1-10
- How to videos
- Reasoning examples

# PiXL Times Tables practice

- Select a times table
- Time Challenges
- Competitions and Games
- Check out the (soon to be coming)
   SATs Zone on our school website

## **SATs Breakfast Club**

- Free Breakfast!
- All Year 6 children invited
- Each morning of the tests
- Opportunity to be with friends
- In school nice and early so any worries can be dealt with

#### **Advice for Year 6 children!**

- Listen to what your teacher says;
- Your teacher is cheering you on and wants you to do your best;
- Make sure you get plenty of sleep and stay well fed sleep and food help keep the brain moving;
- Read the questions carefully. This can help to avoid any silly mistakes!
- Don't worry if there's something you can't answer. Take a deep breath! You can
  always move on and go back later but it's better to write something rather than
  nothing;
- Keep in mind year 6 SATs are just one week of your entire life!

If you have any questions please do ask class teachers and/or Mr Wade
