

Year 4

Last half term was extremely busy with lots of Egyptian work, an RE week and a full suite of tests (Reading, Maths and Grammar & Spelling). Although this half term is relatively short, we have oodles of exciting things lined up!

Come Dine With Me

What abysmal service!

On Monday, year 4 visited four different 'diners' where they were expecting a culinary delight. They were extremely disappointed by the limited food options, disgraceful waiting staff and poor levels of hygiene.

They will be writing to complain!!!

We have been jazzing up the year group with fruit, vegetables and pasta – getting us in the mood for our 'pasta pot' competition.

The food has begun its journey through the body...

We have been learning the names and functions of our different teeth.

Incisors cut, canines tear, premolars crush and molars grind!

PE: Please make sure kit is in school!

Tuesday	Wednesday	Thursday
Nightingale and Babbage - Indoor PE		Parks and Dickens - Indoor PE
Parks and Dickens - Outdoor PE	Babbage and Nightingale - Outdoor PE
