

Year 5

What a busy and full first half term the children have had. Demonstrating courage and perseverance, they have shown true commitment to their learning. Well done Year 5!

Anglo Saxon Helmets

Over the last few weeks the children have been recreating Anglo-Saxon helmets which were excavated at Sutton Hoo.

Outdoor P.E. The temperature is definitely getting colder and P.E. will continue outside through the colder months. Please remind children to wrap up warm against the cold.

Tuesday Outdoor	Wednesday Outdoor
Naidu	Pankhurst & Wilberforce

In addition to making Anglo Saxon helmets, the children have been learning and researching about the Vikings. They have created posters to illustrate what they have learned.

Homework Over Half Term

- Practice weekly spellings and complete work sheet.
- Read 3 times (or more!)
- MyMaths, TTRockstars to support x table learning

Maths

As well as learning the compact method for addition and subtraction, year 5 have learned to estimate and use the inverse to check their answers.
