

Space Invaders

The children will:

English

- Continue to develop their understanding of writing for different purposes by creating and writing their own science-fiction story openers.
- Learn about the features and know how to write non-chronological reports about Mars and Jupiter.

Computing

- Learn about and use multimedia

Physical Education

- Take part in a range of Athletics.
- Celebrate effort and achievement on Sports day.

Science

- Describe the movement of the Earth and other planets relative to the sun in the solar system.
- Describe the movement of the moon relative to the Earth.
- Use the idea of the Earth's rotation to explain day and night.
- Explain the force of gravity.

Art

- Create a textile piece using a range of skills and materials.
- Create detailed sketches of the moon – focus on shape and texture

RSHE

- Learn terms associated with gender identity and the unacceptability of homophobic and transphobic bullying.
- Have strategies for keeping safe online
- Consider how to manage accidental exposure to explicit images and upsetting online material including who to talk to about what they have seen.

Mathematics

- Factors, multiples, prime numbers, square numbers and cube numbers
- Review Y4 fraction work
- Area and Perimeter

French

- Use the vocabulary to school.
- Talk about school subjects and likes/dislikes.
- Tell the time

RE

Answer the big questions:

- What does it mean for Christians to have a relationship with Jesus?
- What message did the angels bring?
