

Peter and the Wolf

The children will:

English:

- This half term, the children will write their own poem about sounds.
- The children will be writing a 'Twisted Tale', based on a well-known fairy story.

Mathematics:

- The children will continue to develop their multiplication skills, focusing on the x7, x9, x11 and x12 tables.
- The children will identify and use factor pairs.
- The children will learn to multiply larger digits using a formal method.
- The children will learn to choose a mental or formal method when dividing.

RSE:

- The children will reflect on how their body has changed and anticipate body changes, understanding that some are related to puberty.
- The children will be able to judge what kind of physical behaviours and contact are acceptable and unacceptable and ways to respond.
- The children will understand that adults can separate/ divorce and that it can be a difficult time.

Science:

- The children will identify how sounds are made, associating some of them with something vibrating.
- The children will find patterns between the pitch of a sound and features of the object that produced it.
- The children will recognise that vibrations from sounds travel through a medium to the ear.
- The children will find patterns between the volume of a sound and the strength of the vibrations that produced it.
- The children will recognise that sounds get fainter as the distance from the sound source increases.

Music:

- The children will comment on likes and dislikes of music heard using musical vocabulary.
- The children will comment on music heard using the terms duration, timbre, pitch, beat, tempo and texture.
- The children will compose music to a given stimulus, e.g. to represent the animals.
- The children will confidently improvise melodic and rhythmic patterns using the voice and instruments.

French:

- The children will revise ways to describe people, their nationality and their characteristics.

Physical Education:

- *Learn to play Tennis*
- *Real PE (Cognitive Skills)*
