

Summer 2 - Homework

Weekly compulsory:

2 x 10 minutes (minimum) TTRockstars

2 x 10 minutes (minimum) Spelling – written and EdShed

Reading 3 x 10 minutes (minimum).

Non-compulsory topic activities:

1. Take a look at the activities at <https://www.switchedonkids.org.uk/>
2. Complete a survey on the appliances which use electricity in your house. Think about those that use mains power, those that use a battery and those that are rechargeable.
3. Look for different switches in your home.

Type of Switch	Use	Tally	Total
Paddle switch 			
Key switch 			
Push button switch 			
Toggle switch 			
Selector switch 			
Dimmer switch 			
Pull switch 			
Slide switch 			

4. Create a safety poster showing the dangers of electricity in your home.
5. Investigate who invented electricity and create a fact file about them. This could be presented in any way you desire!
6. Create a piece of art entitled 'lightning strike'.
