

# YEAR SIX

**Dereham**  
Church Of England  
Junior Academy

## So long, farewell, auf Wiedersehen, goodbye ...

It sadly arrived: Year 6's last full week at school. After a rather rollercoaster of a year the children enjoyed a fun-filled last week.

We have really enjoyed teaching the children and have relished seeing them turn into mature, resilient young people who are ready to spread their wings. We wish them all so much luck as they embark on their next steps at high school. Good luck Year 6!

Year 6 Teachers xx

## On your marks, get set...go!

Year 6 started their last week of primary school with an energetic afternoon of sports. Mr Allott had organised a fantastic sports day for us all to enjoy. Year 6 were treated to a starter of clockwork sports which included slalom relay, beanbags on head relay, hockey dribble and solo speed jump. After the enthusiastic start, year 6 then went on to take part in complete relays which enabled them to put their sprinting skills to the test! It was a fabulous afternoon— perfect to enjoy in the last week of school!

## Eaton Vale 2021

Our week culminated in a trip to Eaton Vale Activity Centre where we had a fantastic day! The children (and staff) canoed, kayaked, made shelters, cooked and even tried air rifles and archery! We tested our strength and agility with climbing and belaying to help our friends. It was such privilege to see the children excel at these tasks! Every student gave every activity a go even if they were a little nervous and then supported the other members of their groups to have a go. A great day was had by all!

## Leavers' Awards

On our last afternoon, we were treated to an alfresco awards ceremony presents by Mrs. Scott and Mr. Dack.

All photos and winners are available to view on the website!

## Important Dates

19th July - Northgate Transition/ 20th July - Neatherd
