## Clubs, Clubs and more Clubs!

Dereham Junior have just begun an exciting partnership with ICS Coaching who will be providing our school with lots of exciting clubs over the year ahead and beyond.

Lunchtime, after school and evening clubs have been organized, ranging from football to dodgeball, multisports to Wildcats. Most of the clubs are filling up fast for Autumn 1 but it's worth enquiring at [officeicscoaching@gmail.com](mailto:officeicscoaching@gmail.com)

More will return in Autumn 2 too so make sure you keep an eye out for those after October half term!

## Under the Canopy

Over the last three weeks, Year 6 have been 'Under the Canopy', learning all about South America and the Amazon rainforest.

From our kick off on Brazil day to learning about thematic maps, grid references, rainforest layers and Amazonian wildlife, our topic learning has been a real hit with the year group.

Here are some fantastic rainforest animal pictures, created by some of the very talented Bevan class. They used oil pastels to bring the Amazon to Dereham with some vibrant colours.
