

YEAR SIX

Under The Canopy - Year 6

We've continue our journey under the canopy this week. Inspired by: the colour and variety of the rainforest, we've produced art; the Story of The vanishing rainforest, we've written story openings, showing off our creative writing skills and investigating the lives of Brazilian people, we've written a balanced argument to discuss whether deforestation of the rainforest should be allowed.

The children have gained an incredible amount of insight and knowledge and have wowed us with their interest and thoughts.

We have continued to do football outdoors and throw tennis for indoor PE. In maths, we've been mastering the skills of multiplication and division using efficient

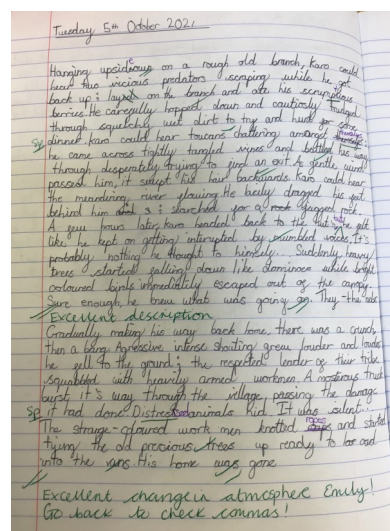

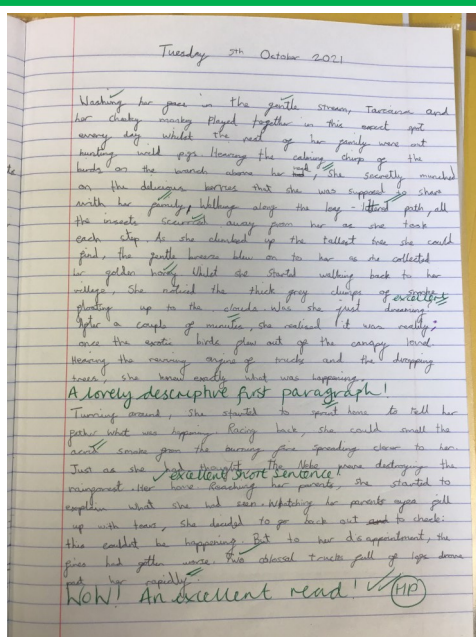

compact methods.

We have been so impressed with how the

children have immersed themselves in their learning.

They have shown super teamwork and learning skills! Well done Year 6!
