8th November 2021

Dear Parents and Carers,

I am writing to inform you that over the weekend, we have had a number of positive Covid cases reported within **one** of our classes.

As per our contingency plan, this class will now become a 'bubble' and will not mix in school with the other children. They will eat lunch in their classroom, have a separate break, and lunch time. They will also use separate toilets and increase handwashing and cleaning. Staff from the class will also ensure they maintain social distancing from other staff and pupils and will wear a mask outside of their classroom. We are also seeking further guidance from Public Health England.

Currently this is isolated to one class, and as such, the rest of the school will continue to follow current arrangements. Children from this class, will not be able to attend after school clubs (in school) this week.

Please do make sure you keep your child off school and obtain a PCR test if they are showing any symptoms of Covid 19.

Many thanks for your continued support.

Yours sincerely

Mrs K Scott
