

SEND Information Report for Dereham Church of England Junior Academy September 2021-July 2022

Part of the Norfolk Local Offer for Learners with SEND

Introduction

Welcome to our SEND information report which is part of the Norfolk Local Offer for learners with Special Educational Needs and disabilities (SEND.) All governing bodies of maintained schools, maintained nursery schools and Academies have a legal duty to publish information on their website about the implementation of the governing body's policy for pupils with SEND. The information published must be updated annually.

At Dereham Church of England Junior Academy we are committed to working together with all members of our Academy community. This local offer has been produced with pupils, parents/carers, governors, and members of staff. We would welcome your feedback and future involvement in the review of our offer, so please do contact us. The best people to contact this year are:

Kelly Scott Headteacher.
Kelly Carter SENCO
Chair Jaime Mallett
SEND Governor Jaime Mallett
Parent Governor None specifically allocated

If you have specific questions about the Norfolk Local Offer please look at the Frequently Asked Questions, which can be found on the Norfolk County Council web site <https://www.norfolk.gov.uk/children-and-families/send-local-offer/advice-and-support>

Alternatively, if you think your child may have SEND please speak to their Class Teacher or contact Kelly Carter our SENCO on 01362 693876

Our Approach to Teaching Learners with SEND

At Dereham Church of England Junior Academy we believe in participation for all. We want all adults and children to participate in learning and we celebrate all members of our community. We want to create an inclusive culture in our Academy and we aim to be responsive to the diversity of children's backgrounds, interests, experience, knowledge and skills.

We value high quality teaching for all learners and actively monitor teaching and learning in the Academy. For more information on our approach please see our teaching and learning policy by clicking [here](#).

We aim to create a learning environment which is flexible enough to meet the needs of all members of our Academy community. We monitor progress of all learners, staff continually assess ensuring that learning is taking place. Our whole Academy system for monitoring progress includes regular pupil progress meetings, and staff engage in coaching and supervision.

At Dereham Church of England Junior Academy, we value:

Learning for all.

How we identify SEND

At different times in their Academy career, a child or young person may have a special educational need. The Code of Practice defines SEND as:

“A child or young person has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for them. A child of compulsory Academy age or a young person has a learning difficulty or disability if they:

- (a) have a significantly greater difficulty in learning than the majority of others of the same age: or**
- (b) have a disability which prevents or hinders them from making use of educational facilities of a kind generally provided for others of the same age in mainstream Academies or mainstream post-16 institutions.”**

If a learner is identified as having SEND, we will provide provision that is ‘additional to or different from’ the normal differentiated curriculum, intended to overcome the barrier to their learning.

Learners can fall behind in the Academy for lots of reasons. They may have been absent from the Academy, they may have attended lots of different Academies and not had a consistent opportunity to learn. They may not speak English very well or at all, they may be worried about different things that distracts them from learning. At Dereham Church of England Junior Academy we are committed to ensuring that all learners have access to learning opportunities, and for those who are at risk of not learning, we will intervene. This does not mean that all vulnerable learners have SEND. Only those with a learning difficulty that requires special educational provision will be identified as having SEND.

Our SEND profile for the start of 2021-22 shows that we have 86 children identified as having SEND, and 6 of those have an Education, Health and Care Plan.

Assessing SEND

Class Teachers, support staff, parents/carers and the learner themselves will be the first to notice a difficulty with learning. At Dereham Church of England Junior Academy we ensure that assessment of educational needs, directly involves the learner, their parents/carers and of course their Teacher. The Special Educational Needs Co-ordinator (SENCO) will also support with the identification of barriers to learning. We have a range of assessment tools available within Academy which our SENCO Kelly Carter and other staff members administer.

Identified pupils across the school complete baseline assessments in September. These assessments include reading (Salford or PiXL reading speed), spelling age (Single word spelling test) and Language skills (Language link). Some Year 3 pupils are also assessed in September for their phonic knowledge (Read, write, Inc). This identifies very early the children who would benefit from Literacy interventions. Any child who scores lower than their chronological age is re-tested in January. This happens again in June also. This means that we are able to track progress over time to see if the gap is closing and whether interventions are having the impact they should.

Where there is limited progress and concerns are raised around possible barriers to learning pupils are assessed on their underlying abilities using the BPVS and Ravens. This can help identify next steps such as differentiation that can take place in the classroom, interventions that need to take place and further assessments required such as dyslexia screening, Language assessment using Junior Language Link, phonological assessment and maths assessment.

If the barrier to learning is more of a social / emotional one, class teachers refer to either the lower or upper school pastoral support worker. They may undertake some work with the pupil including a thrive assessment and a 6 week block of sessions. They may include the pupil in some nurture group sessions.

For some learners we may want to seek advice from specialist teams. In our Academy and cluster we have access to various specialist services but may have to be commissioned from our Academy budget. We have access to services universally provided by Norfolk County Council also.

- Educational Psychologist assessment and advice through CEPP.
- S2S advice and outreach support
- SRB advice and outreach support and work
- Attendance Officers
- CAMHS (Child & Adolescent Mental Health Service)
- ATT, Access through technology services. (Profession or medical referral only)
- ASD specialist support assistant team.
- Medical needs Team
- Virtual Academy for Sensory support, to support pupils with hearing/visual Impairment
- Children's Therapy Team (Speech & Language/Occupational/physiotherapy therapy)

We also employ 10 teaching assistants, 4 HLTAs, 1 pupil specific learning support assistant, 1 SEN learning support assistant and 2 pastoral support workers who deliver the interventions in the provision map as co-ordinated by our SENCO and Year Leaders.

What we do to Support Learners with SEND

Every Teacher is required to adapt the curriculum to ensure access to learning for all children in their class. The Teacher Standards 2012 detail the expectations on all teachers, and we at Dereham Church of England Junior Academy are proud of our Teachers and their development. The Teacher standards are at <https://www.gov.uk/government/publications/teachers-standards>

Our Teachers will use various inclusive strategies to adapt access to the curriculum, this might include using:

- Visual timetables
- Writing frames
- I-pads, laptops or other alternative recording devices
- Peer buddy systems
- Positive behaviour rewards system

All pupils who are identified as SEND have a one page profile which includes relevant and smart targets. This involves a conversation every half term between the pupil and teacher. During the conversation the aim is to find out what the pupil enjoys, what they are good at and how they want to be supported. Parents are also encouraged to add to this to give a holistic knowledge of the child. This helps staff plan interventions and support more effectively. It also helps to ensure that the strategies and interventions that have been successful is helping a pupil to make good or better progress continues when they have a supply teacher or transition into their next class.

Each learner identified as having SEND, is entitled to support that is 'additional to or different from' a normal differentiated curriculum. The type of support is dependent on the individual learning needs, and is intended to enable access to learning and overcome the barrier to learning identified. This support is described on a provision map, which although does not detail the individual learner names, describes the interventions and actions that we undertake at Dereham Church of England Junior Academy to support learners with SEND across the year groups. We modify the provision map regularly, and it changes every year, as our learners and their needs change. The provision map for 2021-22 is available on our website.

At Dereham Church of England Junior Academy we share the provision map with our colleagues in the Dereham cluster so we can learn from each other, and demonstrate what we offer for learners with SEND. We are also able to promote consistent practice across all the Academies/ Schools in our cluster ensuring equality of opportunity.

Our provision map is shared with Governors who are able to ensure that we monitor the impact of these interventions on learning across the Academy.

Funding for SEND

Dereham Church of England Junior Academy receives funding directly to the Academy from the Local Authority to support the needs of learners with SEND. This is described in an SEND memorandum. The amount of funding we received for 2020 -21 was £157,619.

How do we Find Out if this Support is Effective?

Monitoring progress is an integral part of teaching and leadership within Dereham Church of England Junior Academy. Parents/carers, pupils and staff are involved in reviewing the impact of interventions for learners with SEND. We follow the 'assess, plan, do, review' model and ensure that parents/carers and children are involved in each step. Before any additional provision is selected to help a child, the SENCO, Teacher, parent/carer and learner, agree what they expect to be different following this intervention. A baseline will also be recorded, which can be used to compare the impact of the provision.

Children, Parents/carers and their Teaching and Support Staff will be directly involved in reviewing progress. This review can be built into the intervention itself, or it can be a formal meeting held, where we all discuss progress and next steps. If a learner has an Education Health and Care Plan (EHC plan) the same review procedures take place, but the EHC plan will also be formally reviewed annually.

The SENCO collates the impact data of interventions, to ensure that we are only using interventions that work.

Progress data of all learners is collated by the whole Academy and monitored by Teachers, Senior Leaders and Governors. Our Academy data is also monitored by the Local Authority and Ofsted.

Other Opportunities for Learning

All learners should have the same opportunity to access extra- curricular activities. At Dereham Church of England Junior Academy in 2021-22 we are offering a range of additional clubs and activities. These can be found on our Academy web page or by contacting our Academy Office.

We are committed to making reasonable adjustments to ensure participation for all, so please contact our Head teacher or SENCO to discuss specific requirements.

All staff at Dereham Church of England Junior Academy work within the Equality Act 2010. This legislation places specific duties on Academies / Schools, settings and providers including the duty not to discriminate, harass or victimise a child or adult linked to a protected characteristic defined in the Equality Act and to make 'reasonable adjustments.'

The Equality Act 210 definition of disability is:

"A person has a disability for the purposes of this Act if (s)he has a physical or mental impairment which has a substantial and long-term adverse effect on his ability to carry out normal day-to day activities."

Section 1(1) Disability Discrimination Act 1995

This definition of disability in the Equality Act includes children with long term health conditions such as asthma, diabetes, epilepsy, and cancer. Children and young people with such conditions do not necessarily have SEND, but there is a significant overlap between disabled children and young people and those with SEND. Children and young people may therefore be covered by both SEND and disability legislation.

For more information about the Equality Act, the protected characteristics or duties on public bodies, please follow this link

<https://www.gov.uk/equality-act-2010-guidance>

Preparing for the next step

Transition is a part of life for all learners. This can be transition to a new class in the Academy, having a new teacher, or moving on to another Academy, training provider or moving in to employment. Dereham Church of England Junior Academy is committed to working in partnership with children, families and other providers to ensure positive transitions occur.

Planning for transition is a part of our provision for all learners with SEND. Moving classes will be discussed with the parents and child at their summer term review meeting and a personalised transition plan created to highlight strategies that will be implemented to support transition. Transition to a secondary Academy of children with EHCPs will be discussed in the summer term of their Year 5, to ensure time for planning and preparation.

Have your say

Dereham Church of England Junior Academy is part of the community. We can shape and develop provision for all of our learners ensuring achievement for all. This SEND report declares our annual offer to learners with SEND, but to be effective it needs the views of all parents/carers, learners, governors and staff. So please engage with our annual process to 'assess plan, do and review' provision for SEND.
