

YEAR SIX

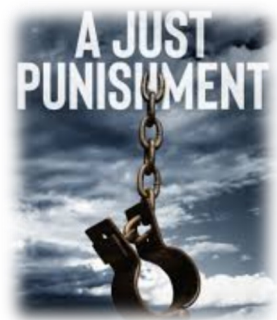

THE QUEST

Over the past couple of weeks, we have been busy writing our very own multi-linear, adventure stories. One Chapter down; one to go until we accomplish our mission. Here are two examples of the amazing writing that Year 6 are producing.

Hung, Drawn and Quartered

In our Topic lessons over the past two weeks, we have been looking at whether the punishments 'fit' the crime. We have researched types of crime throughout the centuries and considered whether the punishment was both 'fair' and 'proportionate'. This sparked lots of debate and discussion within the lessons! This week in particular, we have focused on Tudor punishments. We played, 'Guess the Punishment' from a range of sources and considered whether they deemed them fair.

Super Mathematicians!

Last Thursday, 24 students from Year 6 were selected to take part in 'The Primary Maths Challenge'. This is an online national event and our pupils did themselves and the school proud. A special mention needs to go to Kaya who achieved Gold; Juvencio, Amber, Serenity and Gemma who achieved Silver and a further 10 children who achieved Bronze Awards.

Eat. Sleep. Dodge. Repeat.

As part of ICS Coaching, some of our Year 6 students joined children from 6 other schools to compete in a Dodge Ball Tournament last Thursday. The atmosphere and level of sportsmanship was truly amazing, so much so, that every team member will be receiving their own medal! A HUGE well done to all involved and we look forward to seeing you compete in more tournaments in the future.

Homework Days

Set and due on FRIDAY:

- ◆ Maths
- ◆ English - Comprehension
- ◆ English - Grammar

Additional:

- ◆ Spellings
- ◆ Reading (at least 3x per week)
